AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of countervailing duty administrative review.

SUMMARY: On July 7, 2000, the Department of Commerce (the Department) published in the **Federal Register** its preliminary results of the administrative review of the countervailing duty order on grain-oriented electrical steel for the period January 1, 1998 through December 31, 1998.

SUPPLEMENTARY INFORMATION:

Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions of the Tariff Act of 1930 (the Act), as amended by the Uruguay Round Agreements Act (URAA) effective January 1, 1995. In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations codified at 19 CFR part 351 (1999).

Background

On July 7, 2000, the Department published the preliminary results of the administrative review of the countervailing duty order on grain-oriented electrical steel. *See Grain-Oriented Electrical Steel from Italy; Preliminary Results of Countervailing Duty Administrative Review and Extension of Time Limit for Final Results of Countervailing Duty Administrative Review*, 65 FR 41950 (July 7, 2000). This review covers one manufacturer/exporter, Acciai Speciali Terni S.p.A. (AST). The review covers the period January 1, 1998 through December 31, 1998, and 28 programs.

In the preliminary results, the Department invited interested parties to comment in their case briefs on the implications for this proceeding, if any, of the *Delverde III* decision. Both petitioners and AST provided comments in their case and rebuttal briefs. On September 28, 2000, we sent a questionnaire soliciting information from AST, the Government of Italy (GOI) and the European Commission (EC) regarding the change in ownership issue. On October 20, 2000, AST submitted its response. The Department issued supplemental questionnaires to the respondents on October 27, 2000, and received responses on November 14, 2000.

On November 21, 2000, the Department issued its interpretation of *Delverde III* and its revised change in ownership approach in the *Draft Results of Redetermination Pursuant to Court Remand, Acciai Speciali Terni S.p.A. v. United States (Draft Redetermination)*, which pertains to the *Final Affirmative Countervailing Duty Determination: Stainless Steel Plate in Coils from Italy*, 64 FR 15508 (March 31, 1999). On November 22, 2000, we placed the public version of this *Draft Redetermination* on the record of this administrative review and provided interested parties an opportunity to comment on the change in ownership approach set forth in the *Draft*

Redetermination. On December 6, 2000, petitioners and AST submitted comments. A public hearing was held on December 15, 2000, in which both parties participated. On December 19, 2000, the Department issued the *Final Results of Redetermination Pursuant to Court Remand, Acciai Speciali Terni S.p.A. v. United States (Final Redetermination)*, which was placed on this record as well.

Scope of the Review

Imports covered by this review are shipments of grain-oriented electrical steel from Italy, which is a flat-rolled alloy steel product containing by weight at least 0.6 percent of silicon, not more than 0.08 percent of carbon, not more than 1.0 percent of aluminum, and no other element in an amount that would give the steel the characteristics of another alloy steel, of a thickness of no more than 0.56 millimeters, in coils of any width, or in straight lengths which are of a width measuring at least 10 times the thickness. The products covered by this review are provided for under the following item numbers of the Harmonized Tariff Schedule of the United States (HTSUS): 7225.10.0030, 7226.10.1030, 7226.10.5015, and 7226.10.5065. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this proceeding is dispositive.

Kuga, Acting DAS, Group II, Import Administration, to Troy H. Cribb, Assistant Secretary for Import Administration, dated concurrent with this notice, which is hereby adopted into this notice.
