

ICCTA instructs RSTAC to endeavor to develop private sector mechanisms to prevent, or identify and address, obstacles to the most effective and efficient transportation system practicable. The members of RSTAC also prepare an annual report concerning RSTAC's activities. RSTAC is not subject to the Federal Advisory Committee Act.

RSTAC's 15 appointed members consist of representatives of small and large shippers, and small and large railroads. These members are appointed by the Chair. In addition, members of the Board and the Secretary of Transportation serve as ex officio members. Of the 15 appointed members, nine are voting members and are appointed from senior executive officers of organizations engaged in the railroad and rail shipping industries. At least four of the voting members must be representatives of small shippers as determined by the Chair, and at least four of the voting members must be representatives of Class II or III railroads. The remaining voting member has traditionally been an at-large representative. The other six members—three representing Class I railroads and three representing large shipper organizations—serve in a nonvoting, advisory capacity, but may participate in RSTAC deliberations.

Meetings of RSTAC are required by statute to be held at least semi-annually. RSTAC typically holds meetings quarterly at the Board's headquarters in Washington, DC, although some meetings are held virtually or in other locations.

The members of RSTAC receive no compensation for their services and are required to provide for the expenses incidental to their service, including travel expenses. Currently, RSTAC members have elected to submit annual dues to pay for RSTAC expenses.

RSTAC members must be citizens of the United States and represent as broadly as practicable the various segments of the railroad and rail shipper industries. They may not be full-time employees of the United States Government. According to revised guidance issued by the Office of Management and Budget, it is permissible for federally registered lobbyists to serve on advisory committees, such as RSTAC, as long as they do so in a representative capacity, rather than an individual capacity. *See Revised Guidance on Appointment of Lobbyists to Fed. Advisory Comms., Bds., & Comm'ns*, 79 FR 47,482 (Aug. 13, 2014). Members of RSTAC are appointed to serve in a representative capacity.

Each RSTAC member is appointed for a term of three years. No member will be eligible to serve in excess of two consecutive terms. However, a member may serve after the expiration of his or her term until a successor has taken office.

Due to the expiration of an RSTAC member's term, a vacancy exists for an at-large (public interest) representative. Nominations for candidates to fill the vacancy should be submitted in letter form, identifying the name of the candidate, providing a summary of why the candidate is qualified to serve on RSTAC, and containing representations that the candidate is willing to serve as an RSTAC member effective immediately upon appointment. Candidates may nominate themselves. The Chair is committed to having a committee reflecting diverse communities and viewpoints and strongly encourages the nomination of candidates from diverse backgrounds. RSTAC candidate nominations should be filed with the Board by August 14, 2023. Members selected to serve on RSTAC are chosen at the discretion of the Board Chair. Please note that submissions will be posted on the Board's website under Docket No. EP 526 (Sub-No. 18) and can also be obtained by contacting the Office of Public Assistance, Governmental Affairs, and Compliance at RCPA@stb.gov or (202) 245-0238.

Authority: 49 U.S.C. 1325.

Decided: July 10, 2023.

By the Board, Scott M. Zimmerman, Acting Director, Office of Proceedings.

Jeffrey Herzig,
Clearance Clerk.

BILLING CODE 4915-01-P

DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

Notice of Availability of the Record of Decision for the Little Cottonwood Canyon Project in Utah and Final Federal Agency Actions

AGENCY: Federal Highway Administration (FHWA), Department of Transportation, Utah Department of Transportation (UDOT).

ACTION: Notice of Availability and Notice of Limitations on Claims for Judicial Review of Actions by UDOT and Other Federal Agencies.

SUMMARY: The FHWA, on behalf of UDOT, is issuing this notice to announce the availability of the Record

of Decision (ROD) for the Little Cottonwood Canyon Project, State Route 210 (SR-210), Wasatch Boulevard through the Town of Alta, in Salt Lake County, Utah. In addition, this notice is being issued to announce actions taken by UDOT that are final Federal agency actions related to the project referenced above. Those actions grant licenses, permits and/or approvals for the project. The ROD provides details on the Selected Alternative for the proposed improvements.

DATES: This decision became operative on June 29, 2023. By this notice, FHWA, on behalf of UDOT, is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before December 11, 2023. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period still applies.

FOR FURTHER INFORMATION CONTACT: Carissa Watanabe, Environmental Program Manager, UDOT Environmental Services, P.O. Box 143600, Salt Lake City, UT 84114; (503) 939-3798; email: cwatanabe@utah.gov. UDOT's normal business hours are 8 a.m. to 5 p.m. (Mountain Time Zone), Monday through Friday, except State and Federal holidays.

SUPPLEMENTARY INFORMATION: The environmental review, consultation, and other actions required by applicable Federal environmental laws for this action are being, or have been, carried out by UDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding (MOU) dated May 26, 2022, and executed by FHWA and UDOT. Actions taken by UDOT on FHWA's behalf pursuant to 23 U.S.C. 327 constitute Federal agency actions for purposes of Federal law. Notice is hereby given that UDOT has taken final agency actions subject to 23 U.S.C. 139(l)(1) by issuing licenses, permits, and approvals for the Little Cottonwood Canyon project in the State of Utah.

UDOT's purpose for this project is to substantially improve roadway safety, reliability, and mobility on SR-210 from Fort Union Boulevard through the town of Alta for all users on SR-210. UDOT has selected Gondola Alternative B as the selected primary alternative (which includes tolling as a travel demand management strategy) with phased implementation of components of the Enhanced Bus Service Alternative. Gondola Alternative B includes a gondola alignment from a proposed development south of North Little

Cottonwood Road and east of the La Caille restaurant to both the Snowbird and Alta ski resorts. The Gondola Alternative B includes a 2,500-space parking structure at the base station, a new base station access road, and roadway improvements to SR-210. UDOT will implement the following components of the Enhanced Bus Service Alternative: Improved and Increased Bus Service, Resort Bus Stops and a Bus Maintenance and Storage Facility. UDOT has selected the following sub-alternatives as supporting elements: the Five-lane Alternative on Wasatch Boulevard Alternative; Snow Sheds with Realigned Road Alternative; Trailhead Improvements and No Roadside Parking within ¼ mile of Trailheads Alternative; No Winter Parking Alternative; and the Gravel Pit Mobility Hub.

The project will be constructed in three phases. Phase 1 will consist of Improved and Increased Bus Service, a mobility hub at the gravel pit, and bus stops at the Snowbird and Alta ski resorts. To make the bus service attractive to use, tolling will be implemented to coincide with the start of the bus service in Phase 1. The No Winter Parking Alternative will be implemented after bus service is operating, and would continue while the Gondola Alternative B is operating. Phase 2 will involve constructing the Snow Sheds with Realigned Road Alternative, the Wasatch Boulevard Alternative, and Trailhead Improvements and No Roadside Parking within ¼ Mile of Trailheads Alternative. Phase 2 implementation will depend on available funding. Phase 3 will involve constructing Gondola Alternative B and its supporting infrastructure (base station parking and access roads). Phase 3 implementation will depend on available funding.

The project is identified in UDOT's adopted 2023–2028 State Transportation Improvement Program as project number 17374 with funding identified for final design and construction of Phase 1 elements. The project is also included in the Wasatch Front Regional Council's (WFRC) 2023–2050 Wasatch Front Regional Transportation Plan approved in May 2023 and the WFRC 2023–2028 Transportation Improvement Program (Amendment Nine).

The actions by UDOT, and the laws under which such actions were taken, are described in the EIS approved on August 15, 2022, and the ROD (Record of Decision for Little Cottonwood Canyon Project, State Route 210 (SR-210), Wasatch Boulevard through the Town of Alta, in Cottonwood Heights, Sandy, the Town of Alta and Salt Lake

County, Utah, Project No. S–R299(281)) approved on June 29, 2023, and other documents in the UDOT project records. The ROD is available for review at the UDOT Central Complex, 4501 South 2700 West, Salt Lake City, Utah. In addition, the EIS and ROD documents can be viewed and downloaded from the project website at <https://littlecottonwoodeis.udot.utah.gov/>. National Highway Traffic Safety Administration

[Docket No. NHTSA–2023–0026]

Agency Information Collection Activities; Notice and Request for Comment; Examining Distraction and Driver Monitoring Systems To Improve Driver Safety

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation (DOT).

ACTION: Notice and request for comments on a request for approval of a new information collection.

SUMMARY: The National Highway Traffic Safety Administration (NHTSA) invites public comments about our intention to request approval from the Office of Management and Budget (OMB) for a new information collection. Before a Federal agency can collect certain information from the public, it must
