

adequacy constructs, including the roles of capacity markets in the Regional Transmission Organization (RTO)/Independent System Operator (ISO) regions that utilize them and alternative constructs in regions without capacity markets. The Commission does not intend to discuss at this technical conference any specific proceeding pending before the Commission.

Broadly, issues to be explored at the technical conference may include: current and impending risks to resource adequacy, including increasing load forecasts, potential resource shortfalls and reasons therefor; the efficiency and effectiveness of capacity markets in achieving resource adequacy at just and reasonable rates; design and performance comparisons between capacity markets and alternative resource adequacy constructs; and the roles and interests of states or other entities with legal authority in achieving resource adequacy.

The two-day technical conference will convene on Wednesday, June 4, 2025, and Thursday, June 5, 2025 in the Kevin J. McIntyre Commission Meeting Room at the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426.

Individuals interested in participating as panelists should submit a self-nomination email by 5:00 p.m. Eastern Time on Wednesday March 12, 2025, to Resource-Adequacy-RTOs-Conference@ferc.gov. Each nomination should state the proposed panelist's name, contact information, organizational affiliation, and indicate the general area on which the proposed panelist would like to speak.

The technical conference will be open to the public. Advance registration is not required, and there is no fee for attendance. A supplemental notice will be issued prior to the conference with further details regarding the agenda and any changes in logistics. Information will also be posted on the Calendar of Events on the Commission's website, www.ferc.gov, prior to the event.

The technical conference will be transcribed and webcast. Transcripts will be available for a fee from Ace Reporting (202-347-3700). A link to the webcast of this event will be available in the Commission Calendar of Events at www.ferc.gov. The Commission provides technical support for the free webcasts. Please call 202-502-8680 or email customer@ferc.gov if you have any questions.
