

Select. MSP Select vessel oversight would consist of risk-based vessel examinations, periodic oversight, and evaluations of Authorized Class Society (ACS) survey activities.

We request comments from all interested parties to ensure that the full range and significance of issues related to the Coast Guard's MSP inspection process are identified.

This notice is issued under authority of 5 U.S.C. 552(a) and 33 CFR 1.05-1.

Dated: January 12, 2012.

Paul F. Thomas,

Captain, U.S. Coast Guard, Acting Director, Prevention Policy.

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID FEMA-2011-0036]

Recovery Directorate Fact Sheet 9580.213, Residential Electrical Meter Repair—"Power Up"

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice of availability; request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) is accepting comments on Recovery Directorate Fact Sheet 9580.213, *Residential Electrical Meter Repair—"Power Up."*

DATES: Comments must be received by February 21, 2012.

ADDRESSES: Comments must be identified by docket ID FEMA-2011-0036 and may be submitted by one of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments. Please note that this proposed policy is not a rulemaking and the Federal Rulemaking Portal is being utilized only as a mechanism for receiving comments.

Mail: Regulatory Affairs Division, Office of Chief Counsel, Federal Emergency Management Agency, Room 835, 500 C Street SW., Washington, DC 20472-3100.

FOR FURTHER INFORMATION CONTACT: Lu Juana Richardson, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (202) 646-4014, LuJuana.Richardson@dhs.gov.

SUPPLEMENTARY INFORMATION

I. Public Participation

Instructions: All submissions received must include the agency name and docket ID. Regardless of the method used for submitting comments or material, all submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to read the Privacy Act notice, which can be viewed by clicking on the "Privacy Notice" link in the footer of www.regulations.gov.

You may submit your comments and material by the methods specified in the **ADDRESSES** section above. Please submit your comments and any supporting material by only one means to avoid the receipt and review of duplicate submissions.

Docket: The proposed policy is available in docket ID FEMA-2011-0036. For access to the docket to read background documents or comments received, go to the Federal eRulemaking Portal at <http://www.regulations.gov> and search for the docket ID. Submitted comments may also be inspected at FEMA, Office of Chief Counsel, Room 835, 500 C Street SW., Washington, DC 20472.

II. Background

Under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act and implementing regulations, FEMA may direct or reimburse activities to save lives, protect property and public health and safety, and lessen or avert the threat of a catastrophe. Under that authority, FEMA may fund the repair of residential electrical meters damaged in a major disaster or emergency, when warranted by the incident and necessary to meet the immediate needs of disaster survivors. "Power Up" is intended to reduce the number of displaced disaster survivors needing shelter and allow for a faster recovery.

FEMA may provide this assistance to State, Tribal and local governments under the Public Assistance (PA) Program in the areas designated by a major disaster or emergency declaration where Individual Assistance (IA) has not been declared by the President. Reimbursement will be at the Federal cost share rate established in the Presidential declaration, which is generally 75%. If IA has been declared by the President, the IA Program will reimburse eligible residential meter repair to avoid any potential duplication of benefits.

FEMA seeks comment on the proposed policy, which is available online at <http://www.regulations.gov> in docket ID FEMA-2011-0036. Based on the comments received, FEMA may make appropriate revisions to the proposed policy. Although FEMA will consider any comments received in the drafting of the final policy, FEMA will not provide a response-to-comments document. When or if FEMA issues a final policy, FEMA will publish a notice of availability in the **Federal Register** and make the final policy available at <http://www.regulations.gov>.

Authority: 42 U.S.C. 5121-5207; 44 CFR part 206.

David J. Kaufman,

Director, Office of Policy and Program Analysis, Federal Emergency Management Agency.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5609-N-01]

Notice of Proposed Information Collection for Public Comment: Choice Neighborhoods Evaluation, Phase I

AGENCY: Office of the Assistant Secretary for Policy Development and Research, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below will be submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

DATES: *Comment Due Date:* March 19, 2012.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB Control Number and should be sent electronically to Paul.A.Joice@hud.gov or in hard copy to: Paul Joice, Office of Policy Development and Research, Department of Housing and Urban Development, 451 7th Street SW., Room 8120, Washington, DC 20410-6000. Please use "Choice Neighborhoods Evaluation PRA Comment" in the subject line of any email.

FOR FURTHER INFORMATION CONTACT: Paul Joice at (202) 402-4608 (this is not a toll-free number) or Paul.A.Joice@hud.gov, for copies of the proposed forms and other available

documents. Please use "Choice Neighborhoods Evaluation PRA Comment" in the subject line of any email.

SUPPLEMENTARY INFORMATION: The Department of Housing and Urban Development will submit the proposed extension of information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended). This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Choice Neighborhoods Evaluation, Phase I.

OMB Control Number: Pending.

Description of the Need for the Information and Proposed Use: HUD is

conducting an evaluation of the Choice Neighborhoods Initiative, focused on the initial round of grants funded in August 2011. This evaluation requires the collection of information from households living in the Choice Neighborhoods sites. This proposed information collection will support the first phase of the evaluation, which is focused on studying implementation of the grants and establishing a baseline for long-term evaluation of program outcomes. The information collection is necessary to understand the experience of the residents in the Choice Neighborhood sites.

Agency Form Numbers: None.

Members of the Affected Public: This information collection request will affect residents in assisted and unassisted housing in each of the sites. We will use a longitudinal resident tracking survey to examine resident outcomes over time. To monitor outcomes for assisted housing residents, the research team proposes conducting a multi-wave survey that tracks a representative sample of the original assisted housing residents during implementation and revitalization of the site. The survey will track outcomes of interest, including housing location and quality; and resident physical and mental health, safety, employment, and education.

To assess the outcomes of assisted residents, we will sample from the public housing developments at each site, including residents at the time of

the survey as well as residents who relocated during 2012. We will oversample special populations (e.g., disabled, seniors, large families, or limited English proficiency households) when appropriate. Our research design calls for the collection of a random sample at the Chicago and New Orleans sites, and assumes 250 completed surveys. At the Boston site we will obtain 100 completed surveys (i.e., as complete coverage as possible of the occupied units, with no oversampling). In the event that funding becomes available to support a survey of assisted residents at the Seattle and San Francisco sites, we will obtain 250 completed surveys at each site.

To allow for comparisons between assisted-households in units that will be transformed by the CNI and those in the neighborhood, the content of the unassisted resident survey and the assisted-resident will be as similar as possible. Part of this task will be to define the appropriate neighborhood boundary for the survey. Our goal is to have a minimum of 250 completed interviews with unassisted residents, with a larger sample in sites with bigger neighborhoods. Units will be drawn from a random sample of housing units in the defined neighborhood.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The following chart details the respondent burden:

	Assisted households	Other households	Total households	Hours per response	Total hours
New Orleans	250	250	500	.75	375
Chicago	250	250	500	.75	375
Boston	100	250	350	.75	262.5
Seattle	250	250	500	.75	375
San Francisco	250	250	500	.75	375
Total	1,100	1,250	2,350	.75	1,762.5

Status of the proposed information collection: Pending OMB approval.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: January 10, 2012.

Raphael W. Bostic,

Assistant Secretary for Policy Development and Research.
