A complete printed set of the environmental documents produced for this project will be available for review at the grant applicant's office (MARTA Headquarters office listed in **ADDRESSES** above) and in other possible locations within the project corridor. IX. Summary and Next Steps

With the publication of this NOI, the Scoping process and the public comment period for the project begins allowing the public to offer input on the scope of the EIS until May 11, 2015. In accordance with the Federal regulations, this date is at least 45 days following the publication of this NOI. Public comments will be received through those methods explained earlier in this NOI and will be incorporated into a Scoping Summary Report. Abstract: The regulations provide guidance with respect to Sec. 110, which provides a safe harbor whereby it will be assumed that a construction allowance provided by a lessor to a lessee is used to construct or improve lessor property when long-term property is constructed or improved and used pursuant to a short-term lease. The regulations also provide a reporting requirement that ensures that both the lessee and lessor consistently treat the property subject to the construction allowance as nonresidential real property owned by the lessor.

Form: 12339, 12339-B, 12339-C, 13775.

Abstract: The Federal Advisory Committee Act (FACA) requires that committee membership be fairly balanced in terms of points of view represented and the functions to be performed. As a result, members of specific committees often have both the expertise and professional skills that parallel the program responsibilities of their sponsoring agencies.

In order to apply to be a member of the Internal Revenue Service Advisory Council (IRSAC), the Information Reporting Program Advisory Committee (IRPAC), Advisory Committee on Tax Exempt and Government Entities, or the Electronic Tax Administration Advisory Committee (ETAAC), applicants must submit a Membership Application. Selection of committee members is made based on the FACA's requirements and the potential member's background and qualifications. Therefore, an application is needed to ascertain the desired skills set for membership. The information will also be used to perform Federal Income Tax, FBI, and practitioner checks as required of all members and applicants to the Committees or Council.

The tax check waiver permits the Internal Revenue Service (IRS) to release information about the applicant which would otherwise be confidential. This information will be used in connection with my application for appointment to membership in one of the IRS Advisory Committee/Council. It is necessary for the purpose of ensuring that all panel members are tax compliant. Information provided will be used to qualify or disqualify individuals to serve as panel members. The information will be used as appropriate by the Taxpayer Advocate service staff, and other appropriate IRS personnel.

Title: 26 US Code §§ 430 and 436.

Abstract: Regulations under sections 430(d), 430(g), 430(h)(2), and 430(i) provide guidance on the determination of benefit liabilities and the valuation of plan assets for purposes of the funding requirements that apply to single employer defined benefit plans pursuant to changes made by the Pension Protection Act of 2006. In order to implement the statutory provisions under section 430(h)(2), the regulations provide for the sponsor of a defined benefit plan to make any of several elections related to the interest rate used for minimum funding purposes and require written notification of any such election to be provided to the plan's enrolled actuary. These final regulations provide for the sponsor of a defined benefit pension plan to make any of several elections.

The Highway and Transportation Funding Act of 2014 (HATFA), Public Law 113–159, was enacted on August 8, 2014, and was effective retroactively for single employer defined benefit pension plans, optional for plan years beginning in 2013 and mandatory for plan years beginning in 2014. Abstract: The regulations provide guidance with respect to section 179C of the Internal Revenue Code, which provides a taxpayer can elect to treat 50 percent of the cost of “qualified refinery property” as a deductible expense not chargeable to capital account. The taxpayer makes an election under section 179C by entering the amount of the deduction at the appropriate place on the taxpayer's timely filed original federal income tax return for the taxable year in which the qualified refinery property is placed in service and by attaching a report specifying (a) the

name and address of the refinery and (b) the production capacity requirement under which the refinery qualifies. If the taxpayer making the expensing election described above is a cooperative described in section 1381, and one or more persons directly holding an ownership interest in the taxpayer are organizations described in section 1381, the taxpayer can elect to allocate all or a portion of the deduction allowable under section 179C to those persons. The allocation must be equal to the person's ratable share of the total amount allocated, determined on the basis of the person's ownership interest in the taxpayer/cooperative. If the taxpayer/cooperative makes such an election, it must provide written notice of the amount of the allocation to any owner receiving an allocation by written notice on Form 1099–PAT, Taxable Distributions Received from Cooperatives. This notice must be provided before the due date (including extensions) of the cooperative owner's federal income tax return for the taxable year for which the election applies.

Applications will be accepted for current vacancies from qualified individuals and from professional and public interest groups that wish to have representation on ETAAC. Submittal of an application and resume is required.

The IRS seeks a diverse group of individuals to represent various groups including: (1) Tax practitioners and preparers, (2) tax software developers, (3) large and small business, (4) employers and payroll service providers, (5) individual taxpayers, (6) financial industry (payers, payment options and best practices), (7) system integrators or technology providers, (8) digital or online service providers, (9) academic (marketing, sales or technical perspectives), (10) trusts and estates, (11) tax exempt organizations, and (12) state and local governments.

This is a volunteer position and members will serve a three-year term on the ETAAC to allow for a rotation in membership which ensures that different perspectives are represented. Travel expenses within government guidelines will be reimbursed. Potential candidates must pass an IRS tax compliance check and Federal Bureau of Investigation (FBI) background investigation.

DATES: The complete application package must be received no later than Friday, May 22, 2015.
