Estimated Number of Respondents: 2,800.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is amending the final results of the administrative review of the countervailing duty (CVD) order on certain passenger vehicle and light truck tires from the People's Republic of China (China) to correct a ministerial error.

DATES: Applicable May 17, 2022.

FOR FURTHER INFORMATION CONTACT: Nicholas Czajkowski or Richard Roberts, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1395 and (202) 482-3463, respectively.

SUPPLEMENTARY INFORMATION:

Background

Commerce published the *Final Results* of this review on March 10, 2022.¹ On March 14, 2022, we received timely submitted ministerial error comments from the petitioner² and interested party Shandong Province Sanli Tire Manufactured Co. Ltd (Sanli).³ On March 18, 2022, Sumitomo Rubber (Hunan) Co., Ltd. (SRH), filed comments rebutting the petitioner's assertion that Commerce committed a ministerial error.⁴ Commerce is amending its *Final Results* to correct the ministerial error raised by the petitioner.

Legal Framework

A ministerial error, as defined in section 751(h) of the Tariff Act of 1930, as amended (the Act), includes “errors

in addition, subtraction, or other arithmetic function, clerical errors resulting from inaccurate copying, duplication, or the like, and any other type of unintentional error which the administering authority considers ministerial.”⁵ With respect to final results of administrative reviews, 19 CFR 351.224(e) provides that Commerce “will analyze any comments received and if appropriate, correct any ministerial error by amending . . . the final results of review. . . .”

Ministerial Error

Commerce determines that, in accordance with section 751(h) of the Act and 19 CFR 351.224(f), it made a ministerial error in the *Final Results*. Pursuant to 19 CFR 351.224(e), Commerce is amending the *Final Results* to reflect the correction of this

ministerial error in the calculation of the countervailable subsidy rate assigned to SRH, which changes from 24.79 percent to 25.63 percent.⁶ For a detailed discussion of Commerce's analysis, *see* Amended Final Analysis Memorandum.⁷ As a result of this change, the rate for the three non-selected companies under review also changes to 25.63 percent. Finally, the adverse facts available (AFA) rate for Triangle Tyre Co., Ltd. changes to 125.17 percent.

Amended Final Results of Review

As a result of correcting the ministerial error described above, Commerce determines the following net countervailable subsidy rates for the period of review (POR), January 1, 2019, through December 31, 2019:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)
Sumitomo Rubber (Hunan) Co., Ltd. and its cross-owned affiliates. ⁸	25.63
Triangle Tyre Co., Ltd	125.17
Review-Specific Rate Applicable to the Following Companies	
Jiangsu Hankook Tire Co., Ltd	25.63
Qingdao Landwinner Tyre Co., Ltd	25.63
Shandong Province Sanli Tire Manufacture Co., Ltd	25.63

Disclosure

We intend to disclose the calculations performed for these amended final results in accordance with 19 CFR 351.224(b).

Assessment

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1), Commerce shall determine and U.S. Customs and Border Protections (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the amended final results of this review. We will calculate importer-specific assessment rate on the basis of the total amount of antidumping duties calculated for each importer's examined sales and the total entered values of the sales in accordance with 19 CFR 351.212.(b)(1).

We intend to issue liquidation instructions to CBP 15 days after publication of the amended *Final Results* of this review. However, as stated in the *Final Results*, we will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired.

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the companies subject to this review. For all non-reviewed companies, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company specific or all-others rate applicable to

the company, as appropriate. These cash deposits, effective upon publication of these amended final results, shall remain in effect until further notice.

Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). DEPARTMENT OF COMMERCE**National Oceanic and Atmospheric Administration****Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Capital Construction Fund Agreement, Certificate Family of Forms and Deposit/Withdrawal Report**

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on December 28, 2021 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Oceanic & Atmospheric Administration (NOAA), Commerce.

Title: Capital Construction Fund Agreement, Certificate Family of Forms, and Deposit/Withdrawal Report.

OMB Control Number: 0648–0041.

Form Number(s): NOAA Form 34–82, NOAA Form 88–14.

Type of Request: Regular submission. Revision and extension of a current information collection.

Number of Respondents: 1,575.

Average Hours per Response: NOAA Form 34–82, 2 hours; NOAA Form 88–14, 2 hours; and 1.5 hours for the Certificate Family of Forms (includes Fishing Vessel CCF Application, Schedule A, Schedule B, Schedule of Tax Basis, Certificate of Construction/Reconstruction).

Total Annual Burden Hours: 2,900.

Needs and Uses: This request is for a revision and extension of a currently

approved information collection. The Merchant Marine Act of 1936, as amended by Public Law 91–469 and Public Law 99–514, provides for the administration of a Capital Construction Fund (CCF) Program by NOAA's National Marine Fisheries Service (NMFS). The law requires that applicants enter into formal Agreements with the Secretary of Commerce. The Agreement allows the fishermen to defer taxable income from operation of their fishing vessels if the money is placed into an account to fund the construction, reconstruction, or replacement of a fishing vessel. The program requirements are detailed at 50 CFR part 259. The Agreement is a contract between the Secretary of Commerce and the Agreement holder specifying the obligations of each party. Schedule A specifies the vessel which earned the income which is eligible for deposit in to a CCF account. Schedule B specifies the construction, acquisition, or reconstruction objectives planned under the Agreement. The Certificate of Construction/Reconstruction certifies the total cost at completion of Schedule B objectives.

Under a Capital Construction Fund (CCF) Agreement, the participant cannot deposit more than the amount specified at 46 U.S.C. 53505. NMFS must approve any withdrawals made before they take place. It is essential that a reasonably detailed record be kept of each participant's deposit/withdrawal activity. If withdrawn monies are not used for allowed purposes, the withdrawn amount (a nonqualified withdrawal) is considered income to the participant in the year withdrawn and taxed at the highest marginal tax rate for the entity involved.

Respondents will be commercial fishing industry individuals, partnerships, and corporations that entered into Capital Construction Fund (CCF) agreements with the Secretary of Commerce. The information collected from applicants for the CCF Agreement (NOAA Form 88–14) is used to determine their eligibility to participate in the CCF Program. The information collected from agreement holders for the Certificate Family of Forms is used to identify their program eligible vessels, their program projects, and to certify the cost of a project at completion. The information collected on the Deposit/Withdrawal Report (NOAA Form 34–82) is required to ensure that agreement holders are complying with fund deposit/withdrawal requirements established in program regulations and properly accounting for fund activity on their Federal income tax returns. The information collected on the Deposit/

Withdrawal Report must also be reported semi-annually to the Secretary of Treasury in accordance with Public Law 115–97.

NMFS is proposing to add an additional form to the Certificate of Family Forms, the Schedule of Tax Basis, which is required upon completion of a Schedule B project in order to determine the remaining tax basis of the qualified vessel.

Affected Public: Business or other for-profit organizations.

Frequency: NOAA Form 34–82 (annual); NOAA Form 88–14 (one time when applying for program benefits); Certificate Family of Forms (varies).

Respondent's Obligation: Required to obtain or retain benefits.

Legal Authority: 46 U.S.C. 535, Public Law 115–97 and 50 CFR part 259.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain.
