Environmental Mailing List

The environmental mailing list includes Federal, State, and local government representatives and agencies; elected officials; environmental and public interest groups; Native American Tribes; other interested parties; and local libraries and newspapers. This list also includes all affected landowners (as defined in the Commission’s regulations) who are potential right-of-way grantors, whose property may be used temporarily for project purposes, or who own homes within certain distances of aboveground facilities, and anyone who submits comments on the project. We will update the environmental mailing list as the analysis proceeds to ensure that we send the information related to this environmental review to all individuals, organizations, and government entities interested in and/or potentially affected by the proposed project.

If the EA is published for distribution, copies will be sent to the environmental mailing list for public review and comment. If you would prefer to receive a paper copy of the document instead of the CD version or would like to remove your name from the mailing list, please return the attached Information Request (Appendix 2).

Becoming an Intervenor

In addition to involvement in the EA scoping process, you may want to become an “intervenor” which is an official party to the Commission’s proceeding. Intervenor’s play a more formal role in the process and are able to file briefs, appear at hearings, and be heard by the courts if they choose to appeal the Commission’s final ruling. An intervenor formally participates in the proceeding by filing a request to intervene. Instructions for becoming an intervenor are included in the User’s Guide under the “e-filing” link on the Commission’s Web site.

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPP-2007-0975; FRL-8855-6]

Methomyl; Cancellation Order for Amendments To Terminate Use of Methomyl on Grapes

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the amendments to terminate use, voluntarily requested by the registrant and accepted by the Agency, of products containing methomyl, pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended. This cancellation order follows an October 24, 2007 **Federal Register** Notice of Receipt of Requests from the registrant listed in Table 2 of Unit II. to voluntarily amend to terminate the grape use from all product registrations. In the October 24, 2007 notice, EPA indicated that it would issue an order implementing the amendments to terminate use, unless the Agency received substantive comments within the 180 day comment period that would merit its further review of these requests, or unless the registrant withdrew the requests. On April 14, 2008, the registrant withdrew the voluntary cancellation of the grape use and submitted a Pesticide Registration Improvement Act (PRIA) action to modify the methomyl use on grapes. While this new information refined the dietary risk assessment, it was not sufficient to change the Agency's previous conclusion. As a result, the registrant withdrew the PRIA action on April 9, 2010. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested amendments to terminate use. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The amendments are effective December 8, 2010.
