**SUPPLEMENTARY INFORMATION:****Background**

HQMTMC is allowing relocation companies operating as brokers to participate in the current personal property program. A broker is defined as a person or company who, for compensation, provides transportation services for DoD shippers, with reasonable diligence, according to the terms and conditions of transportation contracts, rate tenders and Government bills of lading (GBL's) negotiated between MTMC and the broker. The broker understands that its initial approval and retention of approval are contingent upon its meeting or exceeding all the requirements set forth in the current personal property program, both domestic and/or international, which ever is applicable. Brokers may participate in one or both programs. Brokers must also establish and maintain to MTMC's satisfaction, sufficient resources to support its proposed scope of operations and service. Sufficient resources include equipment, personnel, facilities and finances to handle traffic anticipated by DoD/MTMC under the broker's proposed scope of operations in accordance with the service requirements of the shipper. The broker understands that MTMC may revoke approval at any time upon discovery of grounds for ineligibility or

disqualification. Applications may be submitted to Sylvia Walker at the address shown above.
