Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioning groups of workers are covered by active certifications. Consequently, further investigation in these cases would serve no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

I hereby certify that the aforementioned determinations were issued during the period of September 6, 2011 through September 9, 2011. Hartford Financial Services, Inc., Corporate/EIT/CTO Database Management Division, Hartford, CT; Notice of Negative Determination Regarding Application for Reconsideration

By application received September 6, 2011, a worker requested administrative reconsideration of the negative determination regarding workers’ eligibility to apply for Trade Adjustment Assistance (TAA) applicable to workers

and former workers Hartford Financial Services, Inc., Corporate/EIT/CTO Database Management Division, Hartford, Connecticut (The Hartford, Corporate/EIT/CTO Database Management Division). The negative determination was issued on August 19, 2011.

The Department’s Notice of determination was published in the **Federal Register** on September 2, 2011 (76 FR 54794). The workers of The Hartford, Corporate/EIT/CTO Database Management Division are engaged in activities related to the supply of financial services. Specifically, the workers provide information technology support for the firm’s financial services such as insurance protection and investment products.

The petition was filed on behalf of “CTO/CCMT database.org” workers at The Hartford Financial Services, Inc.,

Hartford, Connecticut. The petition states that the worker separations at the subject firm were due to the acquisition of services from India.

The negative determination was based on the Department’s findings that The Hartford Financial Services, Inc. does not produce an article within the meaning of Section 222(a) or Section 222(b) of the Trade Act of 1974, as amended (the Act). In order to be considered eligible to apply for adjustment assistance under Section 223 of the Act, the worker group seeking certification (or on whose behalf certification is being sought) must work for a “firm” or appropriate subdivision that produces an article.

In the request for reconsideration, the petitioner asserts that The Hartford Financial Services, Inc. produces an article and that subject firm locations have worker groups eligible to apply for
