

### 11. Amendments to Chapter XIII

OCC proposed and the Commission approved a new Chapter XIII of its rules to govern security futures.<sup>9</sup> With the current filing, OCC is simply proposing to amend Chapter XIII to apply to commodity futures and futures options as well.

The proposed rule change is consistent with the purposes and requirements of section 17A of the Act because it fosters cooperation and coordination with persons engaged in the clearance and settlement of securities transactions, removes impediments to and perfects the mechanism of a national system for the prompt and accurate clearance and settlement of securities transactions, and, in general, protects investors and the public interest. By clearing commodity futures and futures options under the same basic rules applicable to SEC-regulated products, OCC believes that its commodity clearing activities will be consistent with the prompt and accurate settlement of securities transactions.

#### *(B) Self-Regulatory Organization's Statement on Burden on Competition*

OCC does not believe that the proposed rule change would impose any burden on competition.

#### *(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments were not and are not intended to be solicited with respect to the proposed rule change, and none have been received.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within thirty-five days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reason for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(a) By order approve the proposed rule change or

(b) Institute proceedings to determine whether the proposed rule change should be disapproved.

### VI. Solicitation of Comments

Interested persons are invited to submit written data, views, and

arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, NW., Washington, DC 20549.
