SUPPLEMENTARY INFORMATION: PathWays PA will serve homeless parenting and non-parenting young women age 16–21. Over the next 12 months, they will serve 10 residential homeless young women in the city of Philadelphia, PA.

The goal of PathWays PA's TLP program is to support homeless youth with positive adult supervision while supporting them in building the assets, strengths, and resources necessary for successful independence. Youth will be housed in five one-bedroom apartments. While in the program, the youth will build life skills and carry out developmental tasks to gain the capacity for independent living and address their assessed/identified needs. They will build assets and strengthen protective factors that reduce the impact of prior trauma (e.g., domestic violence) and reduce the harm of high-risk behaviors through gaining skills in money management, budgeting, consumer education, and use of credit; building life skills and interpersonal skills (and parenting, as appropriate); acquiring their high school diploma or equivalent

(e.g., GED); strengthening job attainment skills, and improving their mental and physical health.

PathWays PA TLP staff will work with each youth in the context of their experience (e.g., domestic violence) to minimize the impact of trauma and to develop coping skills through a Personalized Empowerment Plan (PEP). The PEP will identify their pathway for transitioning from supervised participation in the program to independent living or another appropriate living arrangement. As part of this plan, staff will facilitate connections with agencies, organizations, and resources in Philadelphia that will assist in the youth's transition to independence and create a strong plan for aftercare support.
