

use). All temporary roads will be closed and hydrologically stabilized at the end of the project. No new roads will be added to the National Forest System.

The Forest Service developed project design features to mitigate adverse environmental impacts of the proposed action to forest resources. To view project design features, maps, and additional information about this project please visit the following Web site: <http://www.fs.fed.us/nepa/fs-usda-pop.php/?project=30290>.

Responsible Official

The Responsible Official for this project is the Forest Supervisor for the Klamath National Forest, Patricia A. Grantham, 1312 Fairlane Road, Yreka, California 96097.

Nature of Decision To Be Made

The Forest Service is the lead agency for the project. Based on the result of the NEPA analysis, the Forest Supervisor's record of decision regarding the Pumice Vegetation Management Project will recommend implementation of one of the following: (1) The proposed action; (2) an alternative to the proposed action; or (3) the no-action alternative. The record of decision will also document the consistency of the selected alternative with the Klamath National Forest Land and Resource Management Plan (1995, as amended).

Scoping Process

This notice of intent initiates the scoping process, which guides the development of the EIS. To be considered for EIS development, comments should be submitted prior to the close of this comment period. To be most helpful to the agency for alternative development and effects analysis, comments should be as specific as possible and discuss potentially significant issues, points of discussion, dispute, or debate about the effects of the proposed action.

Comments received in response to this solicitation, including names and addresses of those who comment, will be part of the public project record. Comments submitted anonymously will be accepted and considered; however, anonymous comments will not provide the agency with the ability to provide the respondent with subsequent environmental documents. See the **ADDRESSES** section at the beginning of this notice for more information about how and when to submit comments.

Dated: November 1, 2011.

Certain Polyester Staple Fiber From the People's Republic of China: Final Results of Antidumping Duty Administrative Review, and Revocation of an Order in Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On July 8, 2011, the Department of Commerce ("Department") published in the **Federal Register** the *Preliminary Results* of the 2009-2010 administrative review of the antidumping duty order on certain polyester staple fiber from the People's Republic of China ("PRC").¹ We gave interested parties an opportunity to comment on the *Preliminary Results*. None were received. As such, these final results do not differ from the *Preliminary Results*. We find that the mandatory respondents in this review, Ningbo Dafa Chemical Fiber Co., Ltd. ("Ningbo Dafa") and Cixi Santai Chemical Fiber Co., Ltd. ("Cixi Santai") did not sell subject merchandise at less than normal value during the period of review ("POR"), June 1, 2009, through May 31, 2010. The final dumping margin for this administrative review is listed in the "Final Results of Review" section below.

DATES: *Effective Date:* November 9, 2011.

FOR FURTHER INFORMATION CONTACT: Steven Hampton, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0116.

SUPPLEMENTARY INFORMATION:

Background

As noted above, on July 8, 2011, the Department published the *Preliminary Results* of the administrative review of certain polyester staple fiber from the PRC. The Department did not receive comments from interested parties on our *Preliminary Results*.

Changes Since the Preliminary Results

We have not made any changes to our *Preliminary Results*.
