

IV. Provisions of the Final Notice

A. Comparison of the ADA's Standards and Requirements for Accreditation to the NSDSMES and the Medicare Application Requirements

We compared the ADA's diabetes outpatient self-management training accreditation requirements and survey process with the NSDSMES requirements and CMS application requirements in 42 CFR part 410, subpart H, as described in section II of this final notice.

We found the ADA's accreditation standards and process to be consistent with the NSDSMES standards and CMS requirements.

B. Term of Approval

Based on the review and observations described in section II of this final notice, we have determined that the ADA's requirements for diabetes outpatient self-management training meet our requirements. Therefore, we approve the ADA as a national accreditation organization for diabetes outpatient self-management training program that request participation in the Medicare program, effective September 27 2021 through September 27, 2027.

V. Collection of Information Requirements

This document does not impose information collection requirements, that is, reporting, recordkeeping, or third-party disclosure requirements. Consequently, there is no need for review by the Office of Management and Budget under the authority of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

The Administrator of the Centers for Medicare & Medicaid Services (CMS), Chiquita Brooks-LaSure, having reviewed and approved this document, authorizes Lynette Wilson, who is the Federal Register Liaison, to electronically sign this document for purposes of publication in the **Federal Register**.
