

consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange¹¹ and, in particular, the requirements of Section 6 of the Act.¹² Specifically, the Commission finds that the proposal is consistent with Section 6(b)(5) of the Act,¹³ which requires, among other things, that the rules of a national securities exchange be designed to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. In accordance with the Memorandum of Understanding entered into between the Commodity Futures Trading Commission ("CFTC") and the Commission on March 11, 2008, and in particular the addendum thereto concerning Principles Governing the Review of Novel Derivative Products, the Commission believes that novel derivative products that implicate areas of overlapping regulatory concern should be permitted to trade in either or both a CFTC- or Commission-regulated environment, in a manner consistent with laws and regulations (including the appropriate use of all available exemptive and interpretive authority).

As a national securities exchange, the CBOE is required under Section 6(b)(1) of the Act¹⁴ to enforce compliance by its members, and persons associated with its members, with the provisions of the Act, Commission rules and regulations thereunder, and its own rules. In addition, brokers that trade Sprott Options will also be subject to best execution obligations and FINRA rules.¹⁵ Applicable exchange rules also require that customers receive appropriate disclosure before trading Sprott Options.¹⁶ Further, brokers opening accounts and recommending options transactions must comply with relevant customer suitability standards.¹⁷

Sprott Options will trade as options under the trading rules of the CBOE. These rules, among other things, are designed to avoid trading through better displayed prices for Sprott Options available on other exchanges and, thereby, satisfy CBOE's obligation under the Options Order Protection and

Locked/Crossed Market Plan.¹⁸ Series of the Sprott Options will be subject to exchange rules regarding continued listing requirements, including standards applicable to the underlying Sprott Physical Gold Trust. Shares of the Sprott Physical Gold Trust must continue to be traded through a national securities exchange or through the facilities of a national securities association, and must be "NMS stock" as defined under Rule 600 of Regulation NMS.¹⁹ In addition, the underlying shares must continue to comply with the Exchange's continued listing standards applicable to Units.²⁰ If the Sprott Physical Gold Trust shares fail to meet these requirements, the exchanges will not open for trading any new series of the respective Sprott Options.

CBOE has represented that it has surveillance programs in place for the listing and trading of Sprott Options. For example, CBOE may obtain trading information via the ISG from the NYMEX related to any financial instrument traded there that is based, in whole or in part, upon an interest in, or performance of, gold. Additionally, the listing and trading of Sprott Options will be subject to the exchange's rules pertaining to position and exercise limits²¹ and margin.²²

III. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,²³ that the propose rule change (SR-CBOE-2010-043) be, and is hereby, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.²⁴

Florence E. Harmon,

Deputy Secretary.

of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Recently, the U.S. Securities and Exchange Commission ("SEC" or "Commission") authorized the listing and trading on BOX of options on the SPDR Gold Trust⁵ and the iShares COMEX Gold Trust and the iShares Silver Trust.⁶ Now, the Exchange proposes for BOX to list and trade options on the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust and the ETFS Platinum Trust.

Under current Chapter IV, Section 3(i) of the BOX Rules, only Exchange-Traded Fund Shares, or ETFs, that are traded on a national securities exchange and are defined as an "NMS" stock under Rule 600 of Regulation NMS, and that (i) represent interests in registered investment companies (or series thereof) organized as open-end management investment companies, unit investment trusts or similar entities that hold portfolios of securities and/or financial instruments, including, but not limited to, stock index futures contracts, options on futures, options on securities and indices, equity caps, collars and floors, swap agreements, forward contracts, repurchase agreements and reverse repurchase agreements (the "Financial Instruments"), and money market instruments, including, but not limited to, U.S. government securities and repurchase agreements (the "Money Market Instruments") comprising or otherwise based on or representing investments in broad based indexes or portfolios of securities and/or Financial Instruments and Money Market Instruments (or that hold securities in one or more other registered investment companies that themselves hold such portfolios of securities and/or Financial Instruments and Money Market Instruments) or (ii) represent interests in

a trust that holds a specified non-U.S. currency or currencies deposited with the trust or similar entity when aggregated in some specified minimum number may be surrendered to the trust by the beneficial owner to receive the specified non-U.S. currency or currencies and pays the beneficial owner interest and other distributions on the deposited non-U.S. currency or currencies, if any, declared and paid by the trust ("Currency Trust Shares") or (iii) represent commodity pool interests principally engaged, directly or indirectly, in holding and/or managing portfolios or baskets of securities, commodity futures contracts, options on commodity futures contracts, swaps, forward contracts and/or options on physical commodities and/or non-U.S. currency ("Commodity Pool ETFs") or (iv) are issued by the SPDR® Gold Trust or the iShares COMEX Gold Trust or the iShares Silver Trust are eligible as underlying securities for options traded on BOX.⁷ This rule change proposes to expand the types of ETFs that may be approved for options trading on BOX to include the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust and the ETFS Platinum Trust.

Apart from allowing the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust and the ETFS Platinum Trust to be underlying securities for options traded on BOX, as described above, the listing standards for ETFs will remain unchanged from those that apply under current BOX rules. ETFs on which options may be listed and traded must still be listed and traded on a national securities exchange and must satisfy the other listing standards set forth in Chapter IV, Section 3(i) of the BOX Rules.

Specifically, in addition to satisfying the aforementioned listing requirements, ETFs must either (1) meet the criteria and guidelines set forth in paragraphs (a) and (b) of Chapter IV, Section 3 or (2) be available for creation or redemption each business day from or through the issuing trust, investment company, commodity pool or other entity in cash or in kind at a price related to net asset value, and the issuer must be obligated to issue Exchange-Traded Fund Shares in a specified aggregate number even if some or all of the investment assets and/or cash required to be deposited have not been received by the issuer, subject to the condition that the person obligated to deposit the investment assets has undertaken to deliver them as soon as possible and such undertaking is secured by the delivery and

maintenance of collateral consisting of cash or cash equivalents satisfactory to the issuer of the Exchange-Traded Fund Shares, all as provided in the Exchange-Traded Fund Shares' prospectus.

The Exchange states that the current continued listing standards for options on ETFs will apply to options on the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust and the ETFS Platinum Trust. Specifically, under Chapter IV, Section 4(h) of the BOX Rules, options on Exchange-Traded Fund Shares may be subject to the suspension of opening transactions as follows: (1) Following the initial twelve-month period beginning upon the commencement of trading of the Exchange-Traded Fund Shares, there are fewer than 50 record and/or beneficial holders of the Exchange-Traded Fund Shares for 30 or more consecutive trading days; (2) the value of the underlying silver, gold, palladium or platinum, respectively, is no longer calculated or available; or (3) such other event occurs or condition exists that in the opinion of the Exchange makes further dealing in such options on BOX inadvisable. Additionally, the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust and the ETFS Platinum Trust shall not be deemed to meet the requirements for continued approval, and BOX shall not open for trading any additional series of option contracts of the class covering the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust and the ETFS Platinum Trust, respectively, if the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust and the ETFS Platinum Trust ceases to be an "NMS stock" as provided for in Chapter IV, Section 4(b)(vi) of the BOX Rules or the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust and the ETFS Platinum Trust is halted from trading on its primary market. The addition of the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust and the ETFS Platinum Trust to Chapter IV, Section 3(i) of the BOX Rules will not have any effect on the rules pertaining to position and exercise limits⁸ or margin.⁹

The Exchange represents that its surveillance procedures applicable to trading in options on the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust and the ETFS Platinum Trust will be similar to those applicable to all other options on other ETFs currently traded on BOX. Also, the Exchange may obtain information from the New York Mercantile Exchange, Inc.

(“NYMEX”) (a member of the Intermarket Surveillance Group) related to any financial instrument that is based, in whole or in part, upon an interest in or performance of gold, silver, palladium and/or platinum.

2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Act,¹⁰ in general, and Section 6(b)(5) of the Act,¹¹ in particular, in that it is designed to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism for a free and open market and a national market system and, in general, to protect investors and the public interest. In particular, the Exchange believes that amending the BOX Rules to accommodate the listing and trading of options on the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust and the ETFS Platinum Trust will benefit investors by providing them with valuable risk management tools.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms does not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to

Section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(6) thereunder.¹³

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay so that the Exchange can list and trade options on the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust, and the ETFS Platinum Trust immediately. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest to permit the Exchange to list and trade options on the ETFS Gold Trust, the ETFS Silver Trust, the ETFS Palladium Trust, and the ETFS Platinum Trust without delay.¹⁴ The Commission notes the proposal is substantively identical to proposals that were recently approved by the Commission, and does not raise any new regulatory issues.¹⁵ For these reasons, the Commission designates the proposed rule change as operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors,

¹² 15 U.S.C. 78s(b)(3)(A).

¹³ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to provide the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has fulfilled this requirement.

¹⁴ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹⁵ See Securities Exchange Act Release No. 61483 (February 3, 2010), 75 FR 6773 (February 10, 2010) (Order Granting Approval of Proposed Rule Changes and Notice of Filings and Order Granting Accelerated Approval of a Proposed Rule Change Relating to Listing and Trading of the ETFS Gold Trust and the ETFS Silver Trust) (SR-CBOE-2010-007; SR-ISE-2009-106; SR-NYSEAmex-2009-86; and SR-NYSEArca-2009-110). SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62459; File No. SR-NYSEAmex-2010-64]

Self-Regulatory Organizations; NYSE Amex LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the Fee Schedule With Respect to Firm Proprietary—Manual Tiered Pricing

July 7, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 25, 2010, NYSE Amex LLC (“NYSE Amex” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Schedule of Fees and Charges for Exchange Services (the “Schedule”) effective July 1, 2010. The text of the proposed rule change is available on NYSE Amex's Web site at <http://www.nyse.com>, on the Commission's Web site at <http://www.sec.gov>, at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The

Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, the Exchange aggregates all of an ATP Holder's volume at the trading permit level for purposes of the Firm Proprietary Manual tiers. Recently, certain ATP Holders have requested that the Firm Proprietary Manual tiered pricing be calculated at the initiating firm level. By this filing, the Exchange proposes to allow its ATP Holders to elect to have their Firm Proprietary Manual billing calculated at the initiating firm level. The Exchange's default billing will continue to aggregate volume at the trading permit level, and ATP Holders must elect this new billing option. If elected, this option will allow Joint Back Office operations to pass-through the pricing associated with the tiers at NYSE Amex more effectively. The Exchange believes this proposed elective billing option is reasonable and equitable and applies uniformly to all ATP Holders.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Securities Exchange Act of 1934 (the “Act”),³ in general, and Section 6(b)(4) of the Act,⁴ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. This proposed elective billing option is reasonable and equitable and applies uniformly to all ATP Holders. If elected, this option will allow Joint Back Office operations to pass-through the pricing associated with the tiers at NYSE Amex more effectively.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A) ⁵ of the Act and subparagraph (f)(2) of Rule 19b-4 ⁶ thereunder, because it establishes a due, fee, or other charge imposed by the NYSE Amex. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-NYSEAmex-2010-64 on the subject line.

Paper Comments

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-NYSEAmex-2010-64. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method.
