FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burden and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s). Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information burden for small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid OMB control number.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before April 1, 2014. If you anticipate that you will be submitting PRA comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Submit your PRA comments to Benish Shah, Federal Communications Commission, via the Internet at Benish.Shah@fcc.gov. To

submit your PRA comments by email send them to: PRA@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0773.

Title: Section 2.803 Marketing of RF Devices Prior to Equipment Authorization.

Form Number: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Businesses or other for-profit.

Number of Respondents: 10,000 respondents; 10,000 responses.

Estimated Time per Response: 0.5 hours.

Frequency of Response: One time reporting requirement and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 154(i), 302, 303, 303(r), and 307.

Total Annual Burden: 5,000 hours.

Total Annual Costs: N/A.

Nature and Extent of Confidentiality: There is no need for confidentiality.

Privacy Act Impact Assessment: N/A.

Needs and Uses: The Commission will submit this information collection to the Office of Management and Budget (OMB) after this 60 day comment period in order to obtain the full year three year clearance from them. The Commission is requesting a revision of this information collection. The Commission is reporting a program change in the burden estimates. The program change increases the number of respondents from 6,000 to 10,000 (increase of 4,000 respondents) and the total annual hours are increased from 3,000 to 5,000 hours (increase of 2,000 hours).

The Commission has established rules for the marketing of radio frequency (RF) devices prior to equipment authorization under guidelines in 47 CFR 2.803. The general guidelines in § 2.803 prohibit the marketing or sale of such equipment prior to a demonstration of compliance with the applicable equipment authorization and technical requirements in the case of a device subject to verification or Declaration of Conformity without special notification. Section 2.803(c)(2) permits limited marketing activities prior to equipment authorization, for devices that could be authorized under the current rules; could be authorized under waivers of such rules that are in effect at the time of marketing; or could be authorized under rules that have been adopted by the Commission but

that have not yet become effective. These devices may be not operated unless permitted by § 2.805.

The following general guidelines apply for third party notifications:

(a) A RF device may be advertised and displayed at a trade show or exhibition prior to a demonstration of compliance with the applicable technical standards and compliance with the applicable equipment authorization procedure provided the advertising and display is accompanied by a conspicuous notice specified in §§ 2.803(c)(2)(iii)(A) or 2.803(c)(2)(iii)(B).

(b) An offer for sale solely to business, commercial, industrial, scientific, or medical users of an RF device in the conceptual, developmental, design or pre-production stage prior to demonstration of compliance with the equipment authorization regulations may be permitted provided that the prospective buyer is advised in writing at the time of the offer for sale that the equipment is subject to FCC rules and that the equipment will comply with the appropriate rules before delivery to the buyer or centers of distribution.

(c) Equipment sold as evaluation kit may be sold to specific users with notice specified in § 2.803(c)(2)(iv)(B).

The information to be disclosed about marketing of the RF device is intended:

(1) To ensure the compliance of the proposed equipment with Commission rules; and

(2) To assist industry efforts to introduce new products to the marketplace more promptly.

The information disclosure applies to a variety of RF devices that:

(1) Is pending equipment authorization or verification of compliance;

(2) May be manufactured in the future;

(3) May be sold as kits; and

(4) Operates under varying technical standards.

The information disclosed is essential to ensuring that interference to radio communications is controlled.
