

Dear Madam Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed permanent export license for the export of defense articles and technical data related to firearms in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles and technical data related to sale of 394 Colt Infantry Automatic Rifles for use by the Mexican Navy.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Richard R. Verma,
Assistant Secretary Legislative Affairs.

Dated: September 16, 2009.

Robert S. Kovac,
Managing Director, Directorate of Defense
Trade Controls, Department of State.
