SUPPLEMENTARY INFORMATION: Section 492 of the HEA requires that, before publishing any proposed regulations to implement programs authorized under title IV of the HEA, the Secretary obtain public involvement in the development of the proposed regulations. After obtaining advice and recommendations from the public, the Secretary conducts negotiated rulemaking to develop the proposed regulations. We announce our intent to develop proposed title IV regulations by following the negotiated rulemaking procedures in section 492 of the HEA.

We intend to select participants for the negotiated rulemaking committee from nominees that represent the interests significantly affected by the proposed regulations. To the extent possible, we will select individuals who reflect diversity among program participants.

We intend to convene a committee to develop proposed regulations affecting institutional and programmatic eligibility, including the 90/10 rule as described below. We will announce the topics and schedule of committee meetings in a subsequent **Federal Register** notice.

Regulatory Issue

The Department intends to regulate on what is commonly referred to as the 90/10 rule. Section 2013 of the American Rescue Plan Act of 2021 (ARP) amended HEA section 487(a)(24) to require that a proprietary institution derive at least 10 percent of its revenues from sources that are not Federal education assistance funds. Federal education assistance funds are “Federal funds that are disbursed or delivered to or on behalf of a student to be used to attend such institution.” Section 2013(c)(2) of the ARP provides that regulations developed and published on 90/10 by the Department will not be effective until on or after January 1, 2023.

For more information on how the current 90/10 rule is implemented, see 34 CFR 668.28 and pages 91–94 of the 2020–2021 FSA Handbook at: <https://fsapartners.ed.gov/sites/default/files/2021-03/2021FSAHbkVol2Master.pdf>.

After a complete review of the comments presented at the public hearings and in the written submissions, we will publish a document in the **Federal Register** announcing the specific topics for which we intend to establish a negotiated rulemaking committee and a request for nominations for individual negotiators for the committee who represent the communities of interest that would be significantly affected by the proposed regulations. We will also post this document on the Department’s website at <https://www2.ed.gov/policy/highered/reg/hearulemaking/2021/index.html>.

Public Hearings

We will hold virtual public hearings for interested parties to comment on the 90/10 rule only, on October 26, 2021, from 2:00 p.m. to 4:00 p.m., Eastern time, and on October 27, 2021, from 10:00 a.m. to 12:00 p.m., Eastern time.

In a **Federal Register** notice published on May 26, 2021, we announced public hearings held on June 21, 23, and 24, 2021. In that notice, we invited the public to comment on other proposed topics and also allowed the public to suggest other topics on which we might regulate.

Further information on the public hearings is available at <https://>

www2.ed.gov/policy/highered/reg/hearulemaking/2021/index.html.

Individuals who would like to comment at one of the public hearings must register by sending an email message to negreghearing@ed.gov no later than 12:00 p.m. Eastern time on the business day prior to the public hearing at which they want to speak. Please include the name of the speaker and one or more dates and times during which the individual would be available to speak. We will attempt to accommodate each speaker’s preference for date and time; however, if we are unable to do so, we will make the determination based upon the time and date we received the message and allowing for a diversity of constituencies to present. We will limit each participant’s comments to three minutes.

We will notify speakers of the time slot reserved for them and provide information on how to log in to the hearing as a speaker. An individual may make only one presentation at the public hearings. If we receive more registrations than we can accommodate, we reserve the right to reject the registration of an entity or individual affiliated with an entity or individual that is already scheduled to present comments to ensure that a broad range of entities and individuals are able to present.

Individuals who want to observe the public hearing, but who do not want to present comments, must also register. Attendees who are not presenting comments will be muted for the duration of each public hearing. We will post attendee registration information on our website at www2.ed.gov/policy/highered/reg/hearulemaking/2021/index.html. We will also post transcripts of the hearings on that site.

The Department will accept written comments via the Federal eRulemaking portal and by postal mail, commercial delivery, or hand delivery through November 3, 2021. (See the **ADDRESSES** section of this document for submission information.)

Schedule for Negotiations

We anticipate that any committee(s) established after the public hearings would begin virtual negotiations no earlier than January 2022. We expect negotiations to occur during three sessions of five days each with approximately four weeks between sessions. We may adjust the number of days of each session and time between sessions to adapt to the virtual environment. We will publish the dates and details about these meetings in a subsequent notice in the **Federal Register** and post information on our

website at <https://www2.ed.gov/policy/highered/reg/hearulemaking/2021/index.html>.
