

amendments to Rules 7.35B(c)(1)(D), 7.35B(j)(2) and 7.35B(j)(2)(A)(iii) to eliminate references to Floor broker interest and oral interest entered by Floor brokers at the close would remove impediments to and perfect the mechanism of a free and open market and a national market system because these proposed changes are designed to conform Exchange rules to the changes described in the Floor Broker Interest Approval Order.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,³² the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is designed to revise the Closing Auction process on the Exchange to make it more transparent and deterministic, while still retaining the DMM market model. The Exchange believes that the proposed rule change would promote intermarket competition, particularly for issuers in connection with their determination of which exchange to select as a primary listing exchange. The Exchange does not believe that the proposed rule change would impose any burden on intra-market competition that is not necessary or appropriate in furtherance of the purposes of the Act because they are designed to address the DMM's unique role at the Exchange, including the DMM's Rule 104(a)(3) obligation to facilitate the Closing Auction by supplying liquidity as needed for a fair and orderly Closing Auction. The proposed changes are designed to make the process more transparent and deterministic.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) by order approve or disapprove the proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.
