

1. FINRA is proposing to change the title of NASD Rule 2340(c) from “Unlisted DPP/REIT Securities” to “DPP and Unlisted REIT Securities” to more accurately reflect the types of securities that are subject to the rule. FINRA also is changing the title of proposed NASD Rule 2340(c)(1)(B) from “independent valuation” to “appraised value” to more accurately reflect the per share estimated value methodology.

2. FINRA is revising the “net investment” methodology in proposed NASD Rule 2340(c)(1)(A)(i) to clarify that “another equivalent disclosure” means “another equivalent disclosure that reflects the estimated percentage deduction from the aggregate dollar amount of securities registered for sale to the public of sales commissions, dealer manager fees, and estimated issuer offering and organization expenses.”

3. FINRA is modifying the “appraised value” methodology to clarify in proposed NASD Rule 2340(c)(1)(B) that the member may include a per share estimated value reflecting an appraised valuation disclosed in the Issuer Report based on the valuations of the assets and liabilities of the DPP or REIT performed at least annually by, or with the material assistance or confirmation of, a third-party valuation expert or service and derived from a methodology that conforms to standard industry practice.

4. FINRA is eliminating the required disclosures in proposed NASD Rule 2340(c)(2)(A)(i) regarding characteristics of the per share estimated value and proposed NASD Rule 2340(c)(2)(B) on the “not priced” option. FINRA believes that streamlined disclosure will be more effective than also requiring an account statement to describe per share estimated value, its source, and the method by which it was developed, as would have been required under the originally proposed NASD Rule 2340(c)(2)(A)(i). In addition, FINRA believes the disclosures in proposed NASD Rule 2340(c)(2)(B) are no longer necessary because the revised proposal requires a general securities member to include in a customer account statement a per share estimated value of a DPP or REIT security.

5. FINRA is modifying proposed FINRA Rule 2310(b)(5) to state that a member shall not participate in a public offering of the securities of a DPP that is not subject to the requirements of the 1940 Act or of a REIT unless they meet the requirements under the rule. In addition, FINRA is revising proposed FINRA Rule 2310(b)(5)(A) to clarify that the issuer of the DPP or REIT must agree to disclose a per share estimated value of the DPP or REIT security, developed

in a manner reasonably designed to ensure it is reliable, in the DPP or REIT periodic reports filed pursuant to Section 13(a) or 15(d) of the Exchange Act.

6. FINRA is clarifying in proposed FINRA Rule 2310(b)(5)(D)(iii) that the valuation must be accompanied by a written opinion or report by the issuer, delivered at least annually to the broker-dealer, that explains the scope of the review, the methodology used to develop the valuation or valuations, and the basis for the value or values reported.

7. FINRA is making a technical change to delete FINRA Rule 5110(f)(2)(L) instead of the originally proposed deletion of FINRA Rule 5110(f)(2)(M) because FINRA renumbered the subparagraphs of FINRA Rule 5110(f)(2) after the filing of the proposed rule change.⁹

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend the operation of its Supplemental Liquidity Providers Pilot ("SLP Pilot" or "Pilot") (see Rule 107B—Equities), currently scheduled to expire on July 31, 2014, until the earlier of the Securities and Exchange Commission's ("Commission") approval to make such Pilot permanent or December 31, 2014. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to extend the operation of its SLP Pilot,³ currently

scheduled to expire on July 31, 2014, until the earlier of Commission approval to make such Pilot permanent or December 31, 2014.

Background⁴

In October 2008, the New York Stock Exchange LLC ("NYSE") implemented significant changes to its market rules, execution technology and the rights and obligations of its market participants all of which were designed to improve execution quality on the NYSE. These changes were all elements of the NYSE's and the Exchange's enhanced market model referred to as the "New Market Model" ("NMM Pilot").⁵ The NYSE SLP Pilot was launched in coordination with the NMM Pilot (see NYSE Rule 107B).

As part of the NMM Pilot, NYSE eliminated the function of specialists on the Exchange creating a new category of market participant, the Designated Market Maker or "DMM."⁶ Separately, the NYSE established the SLP Pilot, which established SLPs as a new class of market participants to supplement the liquidity provided by DMMs.⁷

The NYSE adopted NYSE Rule 107B governing SLPs as a six-month pilot program commencing in November 2008. This NYSE pilot has been extended several times, most recently to July 31, 2014.⁸ The NYSE is in the

process of requesting an extension of their SLP Pilot until December 31, 2014 or until the Commission approves the pilot as permanent.⁹ The extension of the NYSE SLP Pilot until December 31, 2014 runs parallel with the extension of the NMM Pilot until December 31, 2014, or until the Commission approves the NMM Pilot as permanent.

Proposal To Extend the Operation of the NYSE MKT SLP Pilot

The Exchange established the SLP Pilot to provide incentives for quoting, to enhance competition among the existing group of liquidity providers, including the DMMs, and add new competitive market participants. NYSE MKT Rule 107B—Equities is based on NYSE Rule 107B. NYSE MKT Rule 107B—Equities was filed with the Commission on December 30, 2009, as a "me too" filing for immediate effectiveness as a pilot program.¹⁰ The Exchange's SLP Pilot is scheduled to end operation on July 31, 2014 or such earlier time as the Commission may determine to make the rules permanent.

The Exchange believes that the SLP Pilot, in coordination with the NMM Pilot and the NYSE SLP Pilot, allows the Exchange to provide its market participants with a trading venue that utilizes an enhanced market structure to encourage the addition of liquidity, facilitate the trading of larger orders more efficiently and operates to reward aggressive liquidity providers. As such, the Exchange believes that the rules governing the SLP Pilot (NYSE MKT Rule 107B—Equities) should be made permanent.

Through this filing the Exchange seeks to extend the current operation of the SLP Pilot until December 31, 2014, in order to allow the Exchange to formally submit a filing to the Commission to convert the SLP Pilot rule to a permanent rule. The Exchange is currently preparing a rule filing seeking permission to make the Exchange's SLP Pilot permanent, but does not expect that filing to be

completed and approved by the Commission before July 31, 2014.¹¹

The proposed change is not otherwise intended to address any other issues and the Exchange is not aware of any problems that member organizations would have in complying with the proposed change.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,¹² in general, and furthers the objectives of Section 6(b)(5) of the Act,¹³ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanisms of, a free and open market and a national market system and, in general, to protect investors and the public interest and because it is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes the proposed rule change is designed to prevent fraudulent and manipulative acts and practices and to promote just and equitable principles of trade because it seeks to extend a pilot program that has already been approved by the Commission. The Exchange believes the proposed rule change is designed to facilitate transactions in securities and to remove impediments to, and perfect the mechanisms of, a free and open market and a national market system because the SLP Pilot provides its market participants with a trading venue that utilizes an enhanced market structure to encourage the addition of liquidity and operates to reward aggressive liquidity providers. Moreover, requesting an extension of the SLP Pilot will permit adequate time for: (i) The Exchange to prepare and submit a filing to make the rules governing the SLP Pilot permanent; (ii) public notice and comment; and (iii) completion of the 19b-4 approval process. Finally, the Exchange believes that it is subject to significant competitive forces, as described below in the Exchange's statement regarding the burden on competition. For these

reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,¹⁴ the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that extending the operation of the SLP Pilot will enhance competition among liquidity providers and thereby improve execution quality on the Exchange. The Exchange will continue to monitor the efficacy of the program during the proposed extended pilot period.

Finally, the Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues. In such an environment, the Exchange must continually review, and consider adjusting the services it offers and the requirements it imposes to remain competitive with other U.S. equity exchanges. For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁵ and Rule 19b-4(f)(6) thereunder.¹⁶ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become

effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹⁷ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁸ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative before the pilot's expiration. The Exchange stated that an immediate operative date is necessary in order to immediately implement the proposed rule change so that member organizations could continue to benefit from the pilot program without interruption after July 31, 2014.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver would allow the pilot to continue uninterrupted, thereby avoiding any potential investor confusion that could result from the temporary interruption in the pilot program. Further, the Commission notes that because the proposed rule change was filed on an immediately effective basis on July 3, 2014, the fact that the current pilot program does not expire until July 31, 2014 will afford interested parties the opportunity to comment on the proposal before the Exchange requires it to become operative. For this reason, the Commission designates the proposed rule change to be operative on July 31, 2014.¹⁹

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

¹⁷ 17 CFR 240.19b-4(f)(6).

¹⁸ 17 CFR 240.19b-4(f)(6)(iii).

¹⁹ For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹¹ The NMM Pilot was scheduled to expire on July 31, 2014 as well. On July 3, 2014, the Exchange filed to extend the NMM Pilot until December 31, 2014. See SR-NYSEMKT-2014-57.

¹⁵ 15 U.S.C. 78s(b)(3)(A)(iii).

¹⁶ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending NYSE MKT Rule 500—Equities To Extend the Operation of the Pilot Program That Allows “UTP Securities” To Be Traded on the Exchange Pursuant to a Grant of Unlisted Trading Privileges Until the Earlier of Securities and Exchange Commission Approval To Make Such Pilot Permanent or December 31, 2014

July 16, 2014.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that on July 3, 2014, NYSE MKT LLC (the “Exchange” or “NYSE MKT”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE MKT Rule 500—Equities to extend the operation of the pilot program that allows “UTP Securities” to be traded on the Exchange pursuant to a grant of unlisted trading privileges. The pilot program is currently scheduled to expire on July 31, 2014; the Exchange proposes to extend it until the earlier of Securities and Exchange Commission (“Commission”) approval to make such pilot permanent or December 31, 2014. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, on the Commission's Web site at www.sec.gov, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change

and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE MKT Rule 500—Equities to extend the operation of the pilot program that allows “UTP Securities” to be traded on the Exchange pursuant to a grant of unlisted trading privileges.⁴ The pilot program is currently scheduled to expire on July 31, 2014; the Exchange proposes to extend it until the earlier of Commission approval to make such pilot permanent or December 31, 2014.

NYSE MKT Rules 500-525—Equities, as a pilot program, govern the trading of any “UTP Securities” on the Exchange pursuant to unlisted trading privileges (“UTP Pilot Program”).⁵ The Exchange hereby seeks to extend the operation of the UTP Pilot Program, currently scheduled to expire on July 31, 2014, until the earlier of Commission approval to make such pilot permanent or December 31, 2014.

The UTP Pilot Program includes any security, other than a security that is listed on the Exchange, that (i) is designated as an “eligible security”

⁴ “UTP Securities” is included within the definition of “security” as that term is used in the NYSE MKT Equities Rules. See NYSE MKT Rule 3—Equities. In accordance with this definition, UTP Securities are admitted to dealings on the Exchange on an “issued,” “when issued,” or “when distributed” basis. See NYSE MKT Rule 501—Equities.
