

NACNEP charter and a list of the current membership may be obtained by accessing the NACNEP website at <https://www.hrsa.gov/advisory-committees/nursing>.

**SUPPLEMENTARY INFORMATION:** NACNEP advises and makes recommendations to the Secretary and Congress on policy matters arising in the administration of Title VIII of the PHS Act, including the range of issues relating to the nurse workforce, nursing education, and nursing practice improvement, as a means of enhancing the health of the public through the development of the nurse workforce. NACNEP meets at least twice each calendar year or may meet more frequently at the discretion of the Designated Federal Officer in consultation with the Chair.

**Nominations:** HRSA is requesting nominations for voting members to serve as Special Government Employees (SGE) on NACNEP to fill open positions. The Secretary appoints NACNEP members with the expertise needed to fulfill the duties of the Advisory Council. The membership requirements are set forth at section 851(b) of Title VIII of the PHS Act, as amended.

Nominees sought are individuals representing leading authorities in the various fields of nursing, higher and secondary education, and associate degree schools of nursing; representatives of advanced education nursing groups (such as nurse practitioners, nurse midwives, clinical nurse specialists, and nurse anesthetists); hospitals and other institutions and organizations which provide nursing services; practicing professional nurses; the general public; and full-time students enrolled in schools of nursing. In making such appointments, the Secretary shall ensure a fair balance between the nursing specialties, a broad geographic representation of members, and a balance between urban and rural members. Members shall be appointed based on their competence, interest, and knowledge of the mission of the profession involved. As required by PHS Act section 851(b)(3), the Secretary shall ensure the adequate representation of minorities. HRSA is particularly interested in seeking nominations from individuals who can represent underrepresented groups in the nursing profession.

The majority of NACNEP members shall be nurses. Interested applicants may self-nominate or be nominated by another individual or organization.

Individuals selected for appointment to NACNEP will be invited to serve a term of 4 years. Members appointed as

SGEs receive a stipend and reimbursement for per diem and travel expenses incurred for attending NACNEP meetings and/or conducting other business on behalf of NACNEP, as authorized by section 5 U.S.C. 5703 for persons employed intermittently in government service and PHS Act section 762(g).

The following information must be included in the package of materials submitted for each individual nominated for consideration: (1) if nominated by another individual or organization, a letter of nomination from the nominator stating the basis for the nomination (*i.e.*, what specific attributes, perspectives, and/or skills does the individual possess that would benefit the workings of NACNEP, and the nominee's field(s) of expertise), as well as the nominator's name, affiliation, and contact information (address, daytime telephone number, and email address); (2) letter of interest from the applicant stating the reasons the applicant would like to serve on NACNEP; (3) a biographical sketch of the applicant, including the applicant's curriculum vitae and contact information (address, daytime telephone number, and email address). Nomination packages may be submitted directly by the applicant or by the person/organization nominating the candidate.

HHS endeavors to ensure that the membership of NACNEP is balanced fairly in terms of points of view represented. Appointments shall be made without discrimination of age, race, ethnicity, gender, sexual orientation, or cultural, religious, or socioeconomic status.

Individuals who are selected to be considered for appointment will be required to provide detailed information regarding their financial holdings, consultancies, and research grants or contracts. Disclosure of this information is required for HRSA ethics officials to determine whether there is a potential conflict of interest between the SGE's public duties as a member of NACNEP and their private interests, including an appearance of a loss of impartiality as defined by federal laws and regulations, and to identify any required remedial action needed to address the potential conflict.

**Authority:** NACNEP is authorized by section 851 of the PHS Act (42 U.S.C. 297t), as amended. NACNEP is governed by provisions of the Federal Advisory

Committee Act of 1972 (5 U.S.C. Chapter 10).

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Health Resources and Services Administration

#### National Vaccine Injury Compensation Program; List of Petitions Received

**AGENCY:** Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

**ACTION:** Notice.

**SUMMARY:** HRSA is publishing this notice of petitions received under the National Vaccine Injury Compensation Program (the Program), as required by the Public Health Service (PHS) Act, as amended. While the Secretary of HHS is named as the respondent in all proceedings brought by the filing of petitions for compensation under the Program, the United States Court of Federal Claims is charged by statute with responsibility for considering and acting upon the petitions.

**FOR FURTHER INFORMATION CONTACT:** For information about requirements for filing petitions, and the Program in general, contact Lisa L. Reyes, Clerk of Court, United States Court of Federal Claims, 717 Madison Place NW, Washington, DC 20005, (202) 357-6400. For information on HRSA's role in the Program, contact the Director, National Vaccine Injury Compensation Program, 5600 Fishers Lane, Room 08W-25A, Rockville, Maryland 20857; (301) 443-6593, or visit our website at: <https://www.hrsa.gov/vaccinecompensation/index.html>.

**SUPPLEMENTARY INFORMATION:** The Program provides a system of no-fault compensation for certain individuals who have been injured by specified childhood vaccines. Subtitle 2 of Title XXI of the PHS Act, 42 U.S.C. 300aa-10 *et seq.*, provides that those seeking compensation are to file a petition with the United States Court of Federal Claims and to serve a copy of the petition to the Secretary of HHS, who is named as the respondent in each proceeding. The Secretary has delegated this responsibility under the Program to HRSA. The Court is directed by statute to appoint special masters who take evidence, conduct hearings as appropriate, and make initial decisions

as to eligibility for, and amount of, compensation.

A petition may be filed with respect to injuries, disabilities, illnesses, conditions, and deaths resulting from vaccines described in the Vaccine Injury Table (the Table) set forth at 42 CFR 100.3. This Table lists for each covered childhood vaccine the conditions that may lead to compensation and, for each condition, the time period for occurrence of the first symptom or manifestation of onset or of significant aggravation after vaccine administration. Compensation may also be awarded for conditions not listed in the Table and for conditions that are manifested outside the time periods specified in the Table, but only if the petitioner shows that the condition was caused by one of the listed vaccines.

Section 2112(b)(2) of the PHS Act, 42 U.S.C. 300aa-12(b)(2), requires that “[w]ithin 30 days after the Secretary receives service of any petition filed under section 2111 the Secretary shall publish notice of such petition in the **Federal Register**.” Set forth below is a list of petitions received by HRSA on December 1, 2023, through December 31, 2023. This list provides the name of the petitioner, city, and state of vaccination (if unknown then the city and state of the person or attorney filing the claim), and case number. In cases where the Court has redacted the name of a petitioner and/or the case number, the list reflects such redaction.

Section 2112(b)(2) also provides that the special master “shall afford all interested persons an opportunity to submit relevant, written information” relating to the following:

1. The existence of evidence “that there is not a preponderance of the evidence that the illness, disability, injury, condition, or death described in the petition is due to factors unrelated to the administration of the vaccine described in the petition,” and

2. Any allegation in a petition that the petitioner either:

a. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition not set forth in the Vaccine Injury Table but which was caused by” one of the vaccines referred to in the Table, or

b. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition set forth in the Vaccine Injury Table the first symptom or manifestation of the onset or significant aggravation of which did not occur within the time period set forth in the Table but which was caused by a vaccine” referred to in the Table.

In accordance with section 2112(b)(2), all interested persons may submit

written information relevant to the issues described above in the case of the petitions listed below. Any person choosing to do so should file an original and three (3) copies of the information with the Clerk of the United States Court of Federal Claims at the address listed above (under the heading “For Further Information Contact”), with a copy to HRSA addressed to Director, Division of Injury Compensation Programs, Health Systems Bureau, 5600 Fishers Lane, 08W-25A, Rockville, Maryland 20857. The Court’s caption (Petitioner’s Name v. Secretary of HHS) and the docket number assigned to the petition should be used as the caption for the written submission. Chapter 35 of title 44, United States Code, related to paperwork reduction, does not apply to information required for purposes of carrying out the Program.
