

comment. A Final Work Plan was placed in the docket following public comment on the initial docket.

The documents in the dockets describe EPA's rationales for conducting additional risk assessments for the registration review of the pesticides included in the table in Unit II.A., as well as the Agency's subsequent risk findings and consideration of possible risk mitigation measures. These proposed interim registration review decisions are supported by the rationales included in those documents.

Following public comment, the Agency is planning to issue interim registration review decisions for products containing the pesticides listed in the table in Unit II.A.

The registration review program is being conducted under congressionally mandated timeframes, and EPA recognizes the need both to make timely decisions and to involve the public. Section 3(g) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) (7 U.S.C. 136a(g)) required EPA to establish by regulation procedures for reviewing pesticide registrations, originally with a goal of reviewing each pesticide's registration every 15 years to ensure that a pesticide continues to meet the FIFRA standard for registration. The Agency's final rule to implement this program was issued in the **Federal Register** of August 9, 2006 (71 FR 45720) (FRL-8080-4) and became effective October 10, 2006, and appears at 40 CFR part 155, subpart C. The Pesticide Registration Improvement Act of 2003 (PRIA) was amended and extended in September 2007. FIFRA, as amended by PRIA in 2007, requires EPA to complete registration review decisions by October 1, 2022, for all pesticides registered as of October 1, 2007 (7 U.S.C. 136a(g)).

The registration review final rule at 40 CFR 155.58(a) provides for a minimum 60-day public comment period on all proposed registration review decisions. This comment period is intended to provide an opportunity for public input and a mechanism for initiating any necessary amendments to the proposed decision. All comments should be submitted using the methods in **ADDRESSES**, and must be received by EPA on or before the closing date. These comments will become part of the docket for the pesticides included in the table in Unit II.A. Comments received after the close of the comment period will be marked "late." EPA is not required to consider these late comments.

The Agency will carefully consider all comments received by the closing date and will provide a "Response to

Comments Memorandum" in the docket. The final registration review decision will explain the effect that any comments had on the decision and provide the Agency's response to significant comments.

Background on the registration review program is provided at: http://www.epa.gov/oppsrrd1/registration_review. Links to earlier documents related to the registration review of these pesticides are provided at: http://www.epa.gov/oppsrrd1/registration_review/reg_review_status.htm.

B. What is the Agency's authority for taking this action?

Section 3(g) of FIFRA (7 U.S.C. 136a(g)) and 40 CFR part 155, subpart C, provide authority for this action.

[EPA-HQ-OA-2014-0001: FRL 9914-13-OA]

Good Neighbor Environmental Board

AGENCY: Environmental Protection Agency (EPA).

ACTION: Request for Nominations to the Good Neighbor Environmental Board.

SUMMARY: The Environmental Protection Agency (EPA) invites nominations from a diverse range of qualified candidates to be considered for appointment to its Good Neighbor Environmental Board (GNEB). Vacancies are expected to be filled by March 9, 2015. Sources in addition to this **Federal Register** Notice may also be utilized in the solicitation of nominees.

Background: GNEB is a federal advisory committee chartered under the Federal Advisory Committee Act (FACA), Public Law 92-463. GNEB was created in 1992 by the Enterprise for the Americas Initiative Act, Public Law 102-532, 7 U.S.C. 5404. Implementing authority was delegated to the Administrator of EPA under Executive

Order 12916. The GNEB is charged by statute with submitting an annual report to the President on the need for implementation of environmental and infrastructure projects within the states of the United States contiguous to Mexico. The statute calls for the GNEB to have representatives from U.S. Government agencies; the governments of the states of Arizona, California, New Mexico and Texas; and tribal and private organizations with experience in environmental and infrastructure issues along the U.S./Mexico Border. Members are appointed by the EPA Administrator for two year terms with the possibility of reappointment. The GNEB meets approximately three times annually either in person or via video/teleconference. The average workload for committee members is approximately 10 to 15 hours per month. Members serve on the committees in a voluntary capacity. Although we are unable to offer compensation or an honorarium, members may receive travel and per diem allowances, according to applicable federal travel regulations. The EPA is seeking nominations from a variety of nongovernmental interests along the U.S.-Mexico border from the private sector, including representatives from business, academia, environmental groups, health groups, ranching and grazing, energy, financial, and other relevant sectors. EPA values and welcomes diversity. In an effort to obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups.

The following criteria will be used to evaluate nominees:

- Background and experiences that would help members contribute to the diversity of perspectives on the committee (e.g., geographic, economic, social, cultural, educational, and other considerations).
- Representative of a sector or group that helps to shape border-region environmental policy or representatives of a group that is affected by border region environmental policy.
- Has extensive professional knowledge and experience with the particular issues that the GNEB examines (i.e. environmental and infrastructure issues along the U.S.-Mexico border), including the bi-national dimension of these issues.
- Bring senior level experience that will fill a need of the GNEB in bringing a new and relevant dimension to its deliberations.
- Possesses a demonstrated ability to work in a consensus building process

with a wide range of representatives from diverse constituencies.

- Ability to contribute approximately 10 to 15 hours per month to the GNEB's activities, including face-to-face meetings, conference calls and participation in the development of the GNEB's annual report to the President and comment letters.

- Nominees may self-nominate by submitting a resume describing their professional and educational qualifications, including current business address, email and daytime telephone number.

- All nominees must demonstrate the potential for active and constructive involvement in the GNEB's work.

If you are interested in serving on GNEB, we will need the following items to process your nomination package:

- Nominations must include a brief statement of interest, resume, curriculum vitae, or a short biography (no more than two paragraphs) describing your professional and educational qualifications, including a list of relevant activities and any current or previous service on advisory committees. The statement of interest, resume, curriculum vitae, or short biography should include the candidate's name, name and address of current organization, position title, email address, and daytime telephone number(s). In preparing your statement of interest, please describe how your background, knowledge, and experience will bring value to the work of the committee, and how these qualifications would contribute to the overall diversity of the GNEB. Also, be sure to describe any previous involvement with the Agency through employment, grant funding and/or contracting sources.

- Candidates from the academic sector must also provide a letter of recommendation authorizing the nominee to represent their institution.

- Please be advised that federal registered lobbyists are not permitted to serve on federal advisory boards.
