

SUPPLEMENTARY INFORMATION:**Authority for This Rulemaking**

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106, describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority, as it amends Class E airspace in Chambersburg, PA.

History

The FAA published an NPRM for Docket No. FAA–2025–0609 in the **Federal Register** (90 FR 16101; April 17, 2025), proposing to amend Class E airspace extending upward from 700 feet above the surface at Franklin County Regional Airport, Chambersburg, PA. Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received.

Incorporation by Reference

Class E airspace designations are published in paragraph 6005 of FAA Order JO 7400.11, Airspace Designations and Reporting Points, which is incorporated by reference in 14 CFR 71.1 on an annual basis. This document amends the current version of that order, FAA Order JO 7400.11J, dated July 31, 2024, and effective September 15, 2024. These amendments will be published in the next update to FAA Order JO 7400.11. FAA Order JO 7400.11J, which lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points, is publicly available as listed in the **ADDRESSES** section of this document.

The Rule

This action amends 14 CFR part 71 by amending the Class E airspace extending upward from 700 feet above the surface designated for Chambersburg, PA. Controlled airspace is necessary for the safety and management of IFR operations in the area. The VOR portion of the St. Thomas VORTAC was decommissioned on November 30, 2023, and only the TACAN remains as a functional part of the NAVAID. This rule changes the associated references in the airspace

legal description from St. Thomas VORTAC to St. Thomas TACAN. This action also amends the airspace by updating the airport coordinates and the airport name in the airspace legal description to reflect the current information.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures,” paragraph 5–6.5a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant the preparation of an environmental assessment.

I. Discussion

On February 8, 2024, the Commissions adopted amendments to Form PF [17 CFR 279.9] under the Advisers Act (the "Final Form PF").³ Form PF is the form that certain SEC-registered investment advisers, including those that also are registered with the CFTC as a CPO or CTA, use to report confidential information about the private funds⁴ that they advise. Unless otherwise noted, when we refer to the Advisers Act, or any section of the Advisers Act, we are referring to 15 U.S.C. 80b, in which the Advisers Act is codified, and when we refer to rules under the Advisers Act, or any section of these rules, we are referring to title 17, part 275 of the Code of Federal Regulations [17 CFR 275], in which these rules are published.

² Congress enacted Sections 404 and 406 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 ("Dodd-Frank Act"), which require that private fund advisers file reports and specify certain types of information that should be subject to reporting and/or recordkeeping requirements. Public Law 111-203, 124 Stat. 1376 (2010). With respect to such reports, the Dodd-Frank Act authorizes the SEC to require that private fund advisers file such information "as necessary and appropriate in the public interest and for the protection of investors, or for the assessment of systemic risk." The result of this enactment is Form PF, which is a joint form between the SEC and CFTC only with respect to sections 1 and 2 of the Form.

⁴ See 17 CFR 275.204(b)-1. Advisers Act section 202(a)(29) defines the term "private fund" as an issuer that would be an investment company, as defined in section 3 of the Investment Company Act of 1940 ("Investment Company Act"), but for section 3(c)(1) or 3(c)(7) of that Act. Section 3(c)(1) of the Investment Company Act provides an exclusion from the definition of "investment company" for any issuer whose outstanding securities (other than short-term paper) are beneficially owned by not more than one hundred persons (or, in the case of a qualifying venture capital fund, 250 persons) and which is not making and does not presently propose to make a public offering of its securities. Section 3(c)(7) of the Investment Company Act provides an exclusion from the definition of "investment company" for any issuer, the outstanding securities of which are owned exclusively by persons who, at the time of acquisition of such securities, are qualified purchasers, and which is not making and does not at that time propose to make a public offering of
