Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof From the People's Republic of China: Notice of Court Decision Not in Harmony With Final Results and Notice of Amended Final Results of the Antidumping Duty Administrative Review; 2008-2009

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On December 30, 2014, the United States Court of International Trade (the Court) issued final judgment in *Since Hardware (Guangzhou) Co., Ltd. v. United States*, Court No. 11-00106, sustaining the Department of Commerce's (the Department) final results of the third redetermination pursuant to remand.¹ Consistent with the decision of the United States Court of Appeals for the Federal Circuit (Federal Circuit) in *Timken Co., v. United States*, 893 F.2d 337 (Fed. Cir. 1990) (*Timken*), as clarified by *Diamond Sawblades Mfrs. Coalition v. United States*, 626 F.3d 1374 (Fed. Cir. 2010) (*Diamond Sawblades*), the Department is notifying the public that the final judgment in this case is not in harmony with the Department's final results of the antidumping duty administrative review of floor-standing, metal top ironing tables and certain parts thereof from the People's Republic of China covering the period August 1, 2008, through July 31, 2009, and is amending the final results with respect to the weighted-average dumping margin assigned to both *Since Hardware (Guangzhou) Co., Ltd.* (*Since Hardware*) and *Foshan Shunde Yongjian*

SUPPLEMENTARY INFORMATION:

Background

On April 27, 2011, the Department
published its *Amended Final Results*.³
On April 28, 2011, Foshan Shunde and
Since Hardware, exporters of the subject
merchandise, timely filed complaints
with the Court to challenge certain
aspects of the *Amended Final Results*.
The litigation history of this procedure
is outlined below.

On August 14, 2012, the Court
remanded the matter.⁴ On December 17,
2012, the Department issued its *First
Redetermination*, in which it (1)
reconsidered the public availability of
the financial statements used in the
Final Results, (2) explained why the
Department selected the 2006–2007
financial statements of Infiniti Modules
(Infiniti) and declined to use the 2008–
2009 financial statements of either
Omax Autos (Omax) or Maximaa
Systems Limited (Maximaa), (3)
defended the Department's brokerage
and handling calculation and responded
to the objections raised to that
calculation by Foshan Shunde, (4)
recalculated labor wage rates to conform
with the Court's decision in *Home
Products International*,⁵ and (5)
recalculated the cotton conversion
factor used in the antidumping
calculation for Since Hardware.⁶

Upon consideration of the *First
Redetermination*, on May 30, 2013, the
Court affirmed our (1) calculation of
Since Hardware's cotton conversion
factor, (2) recalculation of labor
expense, (3) decision to reject the
financial statements of Omax as a source
of financial ratios, and (4) use of World
Bank data to derive brokerage and
handling expenses.⁷ The Court also
remanded the case to the Department to
reconsider: (1) Using financial
statements from Maximaa in light of the
fact that Infiniti's statements are non-
contemporaneous and present public
availability concerns, (2) the
respondent's claim that World Bank
data unfairly represent brokerage and
handling costs, (3) respondent's
evidence related to port and terminal
handling costs based on container size.⁸

On August 14, 2013, the Department
issued its *Second Redetermination*, in
which it further explained its basis for
selecting the financial statements of
Infiniti over those of Maximaa, (2)
recalculated the portion of Foshan
Shunde's brokerage and handling
expense related to the container size
adjustment, and (3) reconsidered
Foshan Shunde's objections regarding
the difference between inland and
seaport cities and determined that no
adjustment to that calculation is
warranted.⁹

On April 15, 2014, the Court affirmed
the Department's financial statement
selection.¹⁰ However, the Court
remanded for further consideration
aspects of the Department's brokerage
and handling calculation, and asked for
the Department to address zeroing in a
nonmarket economy context.¹¹

On July 8, 2014, the Department filed
its *Third Redetermination*, in which it
recalculated the conversion factor for
Foshan Shunde, and the labor expense
rate for both Since Hardware and
Foshan Shunde consistent with the
instructions of the Court.¹² Also, in the
Third Redetermination, under protest,
the Department recalculated the
brokerage and handling expense for
Foshan Shunde based upon the

instructions set forth by the Court.¹³ On
December 30, 2014, the Court sustained
the Department's *Third
Redetermination*, and entered final
judgment.¹⁴

Timken Notice

In its decision in *Timken*, 893 F.2d at
341, as clarified by *Diamond Sawblades*,
the Federal Circuit has held that,
pursuant to section 516A(e) of the Tariff
Act of 1930, as amended (the Act), the
Department must publish a notice of a
court decision not "in harmony" with a
Department determination, and must
suspend liquidation of entries pending
a "conclusive" court decision. The
Court's December 30, 2014, judgment
sustaining the *Third Redetermination*
constitutes a final decision of the Court
that is not in harmony with the
Department's *Amended Final Results*.
This notice is published in fulfillment
of the publication requirement of
Timken. Accordingly, the Department
will continue the suspension of
liquidation of the subject merchandise
pending the expiration of the period of
appeal or, if appealed, pending a final
and conclusive court decision.

Second Amended Final Results

Because there is now a final court
decision, the Department amends the
Amended Final Results with respect to
the dumping margin of Since Hardware
and Foshan Shunde. The revised
weighted-average dumping margin for
Since Hardware and Foshan Shunde
during the period August 1, 2008,
through July 31, 2009, is as follows:

Exporter	Weighted average dumping margin (percent)
Since Hardware (Guangzhou) Co., Ltd.	83.83
Foshan Shunde Yongjian Housewares & Hardwares Co., Ltd.	18.88

Because there have been no
subsequent review for Since Hardware,
the revised cash deposit rate for Since
Hardware is now 83.33 percent. For
Foshan Shunde, the cash deposit rate
will remain the rate established in the
2010–2011 Final Results, a subsequent
review, which is 157.68 percent.¹⁵

In the event the Court's ruling is not appealed, or if appealed and upheld by the Federal Circuit, the Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on entries of the subject merchandise exported by Since Hardware and Foshan Shunde using the revised assessment rate calculated by the Department in the *Third Redetermination*.

Cash Deposit Requirements

In accordance with section 735(c)(1)(B) of the Act, the Department will instruct CBP to collect a cash deposit of 83.33 percent for entries of subject merchandise exported by Since Hardware, effective January 9, 2015, in accordance with the *Timken Notice*.
