### SUPPLEMENTARY INFORMATION:

Termination of a lease is automatic and statutorily imposed by Congress when rental fees are not paid in a timely manner. Similarly, reinstatement terms are also set by Congress upon submission of a petition for reinstatement from a lessee. Rental was not paid on time for noncompetitive oil and gas lease WYW59809, prompting lease termination by operation of law. As provided for under the Mineral Leasing Act of 1920, as amended, the BLM received a petition for reinstatement from the lessee of record, Devon Energy Production Co. LP et al. for land in Converse County, Wyoming. The lessee filed the petition on time along with all rentals due since the leases terminated under operation of law. The lease will be reinstated 30 days after publication of the proposed reinstatement notice in the **Federal Register**.

The lessee agreed to the amended lease terms for rentals and royalties at rates of \$5 per acre, or fraction thereof, per year and 16–2/3 percent, respectively and additional lease stipulations. The lessee has paid the required \$500 administrative fee and the \$159 cost of publishing this notice. The lessee met the requirements for reinstatement of the lease per Sec. 31(d) and (e) of the Mineral Leasing Act of 1920 (30 U.S.C. 188).

Reinstatement of this lease conforms to the terms and conditions of all applicable land use plans, including the 2015 Approved Resource Management Plan Amendments for the Rocky Mountain Region, and other applicable National Environmental Policy Act documents. The BLM proposes to reinstate the lease effective August 1, 2015, under the amended terms and conditions of the lease and the increased rental and royalty rates cited above.

**DEPARTMENT OF JUSTICE****Notice of Lodging of Proposed Consent Decree Under the Clean Water Act, the Oil Pollution Act of 1990, and the Pipeline Safety Laws**

On March 13, 2020, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Central District of California (“Court”) in the lawsuit entitled *United States and the People of*

*the State of California v. Plains All American Pipeline, L.P. et al.*, Civil Action No. 2:20–cv–02415 (C.D. Cal.). At the request of the public, the Department of Justice is extending the public comment period for an additional 30 days.

The United States filed a Complaint against Plains All American Pipeline, L.P. and Plains Pipeline, L.P. (jointly, “Plains”) arising out of Plains’ violations of pipeline safety laws and liability for the May 19, 2015, discharge of approximately 2,934 barrels of crude oil from Plains’ Line 901, located near Refugio State Beach and Santa Barbara, California. The Complaint seeks penalties, injunctive relief, and natural resource damages and assessment costs for the United States, on behalf of the United States Department of Transportation, Pipeline and Hazardous Materials Safety Administration; the United States Environmental Protection Agency; the United States Department of the Interior; the United States Department of Commerce, National Oceanic and Atmospheric Administration; and the United States Coast Guard. The United States’ claims are brought, as applicable, under the Pipeline Safety Laws, 49 U.S.C. 60101 *et seq.*; the Clean Water Act, 33 U.S.C. 1251 *et seq.*; and the Oil Pollution Act of 1990, 33 U.S.C. 2701 *et seq.* The State of California is a co-plaintiff signatory to the Complaint under applicable State of California laws, and a signatory to the proposed Consent Decree, which also resolves certain State of California claims.

The proposed Consent Decree requires Plains to: (1) Pay \$24 million in penalties; (2) implement injunctive relief to improve Plains’ nationwide pipeline system, in addition to modifying operations relating to the May 19, 2015, oil discharge from Plains’ Line 901; and (3) pay \$22.325 million in natural resource damages. Plains previously reimbursed the United States and the State of California approximately \$10 million for natural resource damage assessment costs, and the United States approximately \$4.26 million for removal or clean-up costs.

Notice of lodging of the Consent Decree was originally published in the **Federal Register** on March 19, 2020. See 85 FR 15,815 (March 19, 2020). The publication of the original notice opened a thirty (30) day period for public comment on the Consent Decree. The publication of the present notice extends the period for public comment on the Consent Decree until May 20, 2020.

Comments should be addressed to the Assistant Attorney General,
