Employers submit Form CA-2231 to claim reimbursement for wages paid under the Assisted Reemployment Program. The OWCP is revising this information collection to enhance its disclosures to persons with disabilities; however, no changes are sought for the information collected on Form CA-2231. For additional substantive information about this ICR, see the related noticed published in the **Federal Register** on February 19, 2013 (78 FR 11683).

This information collection is subject to the PRA. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0018. The current approval is scheduled to expire on July 31, 2013; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review.
