

address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and/or
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of this information collection:

1. *Type of Information Collection:*

Extension of a currently approved collection.

2. *The Title of the Form/Collection:* Short Form Registration Statement (Foreign Agents).

3. *The agency form number:* Form NSD-6.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Private Sector, Business or other for-profit.

Other: Not-for-profit institutions, and individuals.

Abstract: This form contains registration statement information used for registering foreign agents under the Foreign Agents Registration Act of 1938, as amended, 22 U.S.C. 611 *et seq.*

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that there are 328 respondents annually, at approximately .429 hours (25 minutes) per response to complete.

6. *An estimate of the total public burden (in hours) associated with the collection:* 140.71 annual burden hours. (328 respondents × .429 hours (25 minutes) = 140.71 hours).

7. Registrants/foreign agents and the general public are alerted that in the future, the National Security Division will complete its ongoing multi-year design review, testing, and requirements enhancement efforts to offer a web form version of form NSD-6. NSD continues to make progress in enhancing the functionality of FARA eFile.

Personnel are in the process of developing new web form versions of the current fillable FARA registration forms with the intent of providing greater standardization, improved intuitive features, and less burdensome requirements that will benefit foreign agents who are required to register under FARA.

New capabilities are expected to improve online search capabilities. NSD is confident that the new features will offer an enhanced system, promoting greater transparency.
