Nominations to the Federal Insecticide, Fungicide, and Rodenticide Act Scientific Advisory Panel (FIFRA SAP); Request for Comments

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA or the Agency) is now accepting public comments on the experts the Agency is considering for membership on the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) Scientific Advisory Panel (SAP). This document identifies the individuals nominated. The Agency anticipates selecting from those nominees that are identified as interested and available to appoint up to four new SAP members by July 2024 due to expiring membership terms. Current members of the SAP are eligible for reappointment during this period. Therefore, the appointments anticipated to be completed by July may include a mix of newly appointed and reappointed members. Public comments on these nominations will be used to assist the Agency in selecting the new members for the FIFRA SAP.

DATES: Submit your comments on or before May 20, 2024.

ADDRESSES: Submit comments, identified by docket identification (ID) number EPA-HQ-OPP-2024-0118, online at <https://www.regulations.gov>. Follow the online instructions for submitting comments. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Additional instructions on commenting and visiting the docket, along with more information about dockets generally, is available at <https://www.epa.gov/dockets>.

FOR FURTHER INFORMATION CONTACT: The Designated Federal Official (DFO) is Tamue L. Gibson; Mission Support Division (7602M), Office of Program Support, Office of Chemical Safety and Pollution Prevention, Environmental Protection Agency; telephone number: (202) 564-7642; email address: gibson.tamue@epa.gov.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this action apply to me?

This action is directed to the public in general. It may be of particular interest to persons who are interested in the impact of pesticide regulatory actions on health and the environment and pesticide-related issues in general. The Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions, consult the DFO listed under **FOR FURTHER INFORMATION CONTACT**.

B. What should I consider as I prepare my comments for EPA?

1. Submitting CBI

Do not submit CBI information to EPA through email or <https://www.regulations.gov>. If your comment contains any information that you consider to be CBI or otherwise protected, please contact the DFO listed under **FOR FURTHER INFORMATION CONTACT** to obtain special instructions before submitting your comments. Information properly marked as CBI will not be disclosed except in accordance with the procedures set forth in 40 CFR part 2.

2. Commenting on EPA Dockets

When preparing and submitting your comments, see Commenting on EPA Dockets at <https://www.epa.gov/dockets/commenting-epa-dockets>.

C. What action is the Agency taking?

This document solicits public comment on the experts recently

nominated to serve on the FIFRA SAP (see unit III.D.2.). The Agency anticipates selecting from these nominations to appoint up to four new SAP members by July 2024 due to expiring membership terms. Current members of the SAP are eligible for reappointment during this period. Therefore, the appointments anticipated to be completed by July may include a mix of newly appointed and reappointed members. Public comments on these recent nominations will be used to assist the Agency in selecting the new members for the FIFRA SAP.

D. What is the Agency's authority for taking this action?

The FIFRA SAP is a Federal advisory committee, established in 1975 under FIFRA (7 U.S.C. 136 *et seq.*), that operates in accordance with requirements of the Federal Advisory Committee Act (FACA) (5 U.S.C. 10). In accordance with FACA requirements, a Charter for the FIFRA SAP, dated August 17, 2022, provides for open meetings with opportunities for public participation.

II. Background

The FIFRA SAP serves as a scientific peer review mechanism of EPA's Office of Chemical Safety and Pollution Prevention (OCSPP) and is structured to provide independent scientific advice, information, and recommendations to the EPA Administrator on pesticides and pesticide-related issues as to the impact of regulatory actions on health and the environment. The FIFRA SAP is composed of a permanent panel consisting of seven members who are appointed by the EPA Administrator from nominees provided by the National Institutes of Health (NIH) and the National Science Foundation (NSF). Members serve staggered terms of appointment, generally of three to six years duration. To augment the knowledge-base of the FIFRA SAP, FIFRA established a Science Review Board (SRB) consisting of at least 60 scientists who are available to the FIFRA SAP on an ad hoc basis to assist in reviews conducted by the FIFRA SAP.

As a scientific peer review mechanism, the FIFRA SAP provides comments, evaluations, and recommendations to improve the effectiveness and quality of analyses made by Agency scientists. Members of the FIFRA SAP are scientists who have sufficient professional qualifications, including training and experience, to provide expert advice and recommendations to the Agency.

III. Nominees

A. Qualifications of Members

Members are scientists who have sufficient professional qualifications, including training and experience, to provide expert comments on the impact of pesticides on human health and the environment. In accordance with FIFRA section 25(d)(1), the Administrator shall require nominees to the FIFRA SAP to furnish information concerning their professional qualifications, including educational background, employment history, and scientific publications. No persons shall be ineligible to serve on the FIFRA SAP by reason of their membership on any other advisory committee to a Federal department or agency, or their employment by a Federal department or agency (except EPA). FIFRA section 25(d) further stipulates that the Agency publish the name, address, and professional affiliation of the nominees in the **Federal Register**.

B. Applicability of Existing Regulations

Consistent with the requirements of FIFRA section 25(d), FIFRA SAP members are subject to the provisions of the Standards of Ethical Conduct for Employees of the Executive Branch at 5 CFR part 2635, conflict of interest statutes in title 18 of the United States Code, and related regulations. Before being formally appointed, each candidate is required to submit a Confidential Financial Disclosure Form in which they must fully disclose, among other financial interests, the nominee's sources of research support, if any. EPA will evaluate the candidate's financial disclosure forms to assess the possibility of financial conflicts of interest, appearance of a loss of impartiality, or any prior involvement with the development of documents likely to be under consideration by the FIFRA SAP (including previous scientific peer reviews) before the candidate is considered further.

C. Process of Obtaining Nominees

In accordance with the provisions of FIFRA section 25(d), on November 21, 2023, EPA requested that the NIH and the NSF nominate scientists to fill vacancies occurring on the FIFRA SAP. The Agency requested nominations of nationally recognized experts in the fields of ecological and human exposure assessment, including environmental fate and transport of chemicals; mathematical biostatistics; new approach methodologies (NAMs), including in vitro to in vivo extrapolation (IVIVE); toxicology, including carcinogenicity and

physiologically-based pharmacokinetic (PBPK) modeling. Experts with specific experience in risk assessment, dose-response analysis, cheminformatics, bioinformatics, and genomics are preferred.

D. Nominated Individuals

NIH and NSF provided the Agency with a total of 39 nominees, of which, 12 are interested and available to actively participate in FIFRA SAP meetings (see unit III.D.2.), and 27 individuals are not available to be considered further for membership at this time (see unit III.D.1.). In addition to the list of nominees provided in this document, a compilation of brief biographical sketches, including information about the qualifications of the individual nominees, is available in the public docket identified under **ADDRESSES**.

Announcing Upcoming Meeting of Mobile Sources Technical Review Subcommittee

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: Pursuant to the Federal Advisory Committee Act, the Environmental Protection Agency (EPA) announces an upcoming meeting of the Mobile Sources Technical Review Subcommittee (MSTRS), which is a subcommittee under the Clean Air Act Advisory Committee (CAAAC). This is a hybrid (both in-person and virtual) meeting and open to the public. The meeting will include discussion of current topics and presentations about activities being conducted by EPA's Office of Transportation and Air Quality. MSTRS listserv subscribers will receive notification when the agenda is available on the Subcommittee website. To subscribe to the MSTRS listserv, send an email to MSTRS@epa.gov.

DATES: EPA will hold a hybrid (both in-person and virtual) public meeting on Thursday, May 30, 2024 from 9 a.m. to 4:30 p.m. central daylight time (CDT). Registration for in-person participants begins at 8:30 a.m. Please monitor the website <https://www.epa.gov/caaac/mobile-sources-technical-review-subcommittee-mstrs-caaac> for any changes to meeting logistics. The final meeting agenda will be posted on the website.

ADDRESSES: The meeting is currently scheduled to be held virtually and at EPA's Region 5 Offices at The Metcalfe Federal Building, 77 W Jackson Boulevard, Chicago, IL, 60604. However, this date and location are subject to change and interested parties should monitor the Subcommittee website (above) for the latest logistical information. For information on the public meeting or to register to attend, please contact MSTRS@epa.gov.

FOR FURTHER INFORMATION CONTACT: Further information concerning this public meeting and general information concerning the MSTRS can be found at <https://www.epa.gov/caaac/mobile-sources-technical-review-subcommittee-mstrs-caaac>. Other MSTRS inquiries can be directed to Jessica Fan, the Designated Federal Officer for MSTRS, Office of Transportation and Air Quality, at 202-564-1094 or mroz.jessica@epa.gov.

SUPPLEMENTARY INFORMATION: During the meeting, the Subcommittee may also hear progress reports from its workgroups as well as updates and announcements on Office of Transportation and Air Quality activities of general interest to attendees.

Participation in hybrid public meetings. The hybrid (both in-person and virtual) public meeting will provide interested parties the opportunity to participate in this Federal Advisory Committee meeting.

For individuals with disabilities: For information on access or services for individuals with disabilities, please email MSTRS@epa.gov. To request accommodate of a disability, please email MSTRS@epa.gov, preferably at least 10 business days prior to the meeting, to give EPA as much time as possible to process your request.

EPA is asking all meeting attendees, even those who do not intend to speak, to register for the meeting by sending an email to the address listed in the **FOR FURTHER INFORMATION CONTACT** section above, by Thursday, May 16, 2024. This will help EPA ensure that sufficient participation capacity will be available.

Please note that any updates made to any aspect of the meeting logistics, including potential additional sessions, will be posted online at <https://www.epa.gov/caaac/mobile-sources-technical-review-subcommittee-mstrs-caaac>. While EPA expects the meeting to go forward as set forth above, please monitor the website for any updates.

Jessica Mroz,

Designated Federal Officer, Mobile Source Technical Review Subcommittee, Office of Transportation and Air Quality.
