[Docket No. CP22-468-000]

Trailblazer Pipeline Company LLC; Notice of Request Under Blanket Authorization and Establishing Intervention and Protest Deadline

Take notice that on May 27, 2022, Trailblazer Pipeline Company LLC (TPC) and Rockies Express Pipeline LLC (REX), 370 Van Gordon St., Lakewood, Colorado 80228, filed an application under section 7(b) and 7(c) of the Natural Gas Act (NGA), and Part 157 of the Commission's regulations requesting authorization in the above referenced docket. TPC requests (1) authorization for TPC to abandon approximately 392 miles of pipeline and related facilities, including one gas-fired compressor station and two electric compressor stations totaling 60,000 horsepower, and one interconnect that has no firm service (the Abandoned Facilities), with the pipeline to be repurposed for carbon dioxide (CO₂) transportation service that will not be subject to the Commission's NGA jurisdiction; (2) authorizing Rockies to construct, install, own,

operate, and maintain various pipeline facilities and booster compression stations to allow continuity of flow for Trailblazer firm service through capacity leased from Rockies (the New Rockies Facilities); (3) authorization for Trailblazer to lease capacity from Rockies pursuant to a capacity lease agreement (the Lease) so that Trailblazer can utilize the New Rockies Facilities and otherwise available capacity on Rockies's existing system; (4) authorization for Rockies to lease capacity to Trailblazer pursuant to the Lease, which will allow Trailblazer to replicate the services it currently provides on the abandoned facilities and ensure seamless service for Trailblazer's existing firm shippers.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://ferc.gov>) using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. At this time, the Commission has suspended access to the Commission's Public Reference Room, due to the proclamation declaring a National Emergency concerning the Novel Coronavirus Disease (COVID-19), issued by the President on March 13, 2020. For assistance, contact the Federal Energy Regulatory Commission at FERCOnlineSupport@ferc.gov or call toll-free, (866) 208-3676 or TTY, (202) 502-8659.

Any questions regarding this application should be directed to L. Drew Cutright, Vice President, Regulatory Tallgrass Energy LP, 370 Van Gordon Street, Lakewood, CO 80228-1519 or by phone at (303) 763-3438, or by email at Drew.Cutright@tallgrassenergy.com.

Pursuant to Section 157.9 of the Commission's Rules of Practice and Procedure,¹ within 90 days of this Notice the Commission staff will either: complete its environmental review and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or environmental assessment (EA) for this proposal. The filing of an EA in the Commission's public record for this

proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

Public Participation

There are two ways to become involved in the Commission's review of this project: you can file comments on the project, and you can file a motion to intervene in the proceeding. There is no fee or cost for filing comments or intervening. The deadline for filing a motion to intervene is 5:00 p.m. Eastern Time on June 30, 2022.

Comments

Any person wishing to comment on the project may do so. Comments may include statements of support or objections to the project as a whole or specific aspects of the project. The more specific your comments, the more useful they will be. To ensure that your comments are timely and properly recorded, please submit your comments on or before June 30, 2022.

There are three methods you can use to submit your comments to the Commission. In all instances, please reference the Project docket number CP22-468-000 in your submission.

(1) You may file your comments electronically by using the eComment feature, which is located on the Commission's website at www.ferc.gov under the link to Documents and Filings. Using eComment is an easy method for interested persons to submit brief, text-only comments on a project;

(2) You may file your comments electronically by using the eFiling feature, which is located on the Commission's website (www.ferc.gov) under the link to Documents and Filings. With eFiling, you can provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on "eRegister." You will be asked to select the type of filing you are making; first select "General" and then select "Comment on a Filing"; or

(3) You may file a paper copy of your comments by mailing them to the following address below.² Your written comments must reference the Project docket number (CP22-468-000).

² Hand delivered submissions in docketed proceedings should be delivered to Health and Human Services, 12225 Wilkins Avenue, Rockville, Maryland 20852.
