Number of Respondents: 24.

Needs and Uses: The information collection requirement is necessary to verify that Local Redevelopment Authority (LRA) recipients of Economic Development Conveyances (EDC) are in compliance with the requirement that the LRA reinvest proceeds from the use of EDC property for seven years. Respondents are LRAs that have executed EDC agreements with a Military Department that transferred property from a closed military installation. As provided by 32 CFR 174.9, such agreements require that the LRA reinvest the proceeds from any sale, lease, or equivalent use of EDC property (or any portion thereof) during at least the first seven years after the date of the initial transfer of the property to support the economic redevelopment of, or related to, the installation. The Secretary of Defense may recoup from the LRA such portion of these proceeds not used to support the economic redevelopment of, or related to, the installation. LRAs are subject to this same seven-year reinvestment requirement if their EDC agreement is modified to reduce the debt owed to the Federal Government. Military Departments monitor LRA compliance with this provision by requiring an annual financial statement certified by an independent Certified Public Accountant. This information is not required to be reported on a specific form or other standardized collection instrument.
