SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–98048; File No. SR–NYSE–2023–25]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Rule 0

August 3, 2023.

Pursuant to section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b–4 thereunder,³ notice is hereby given that on July 31, 2023, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 0 (Regulation of the Exchange and its Member Organizations) to adopt new rule text based on FINRA Rule 0140 (Applicability). The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b–4.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 0 (Regulation of the Exchange and its Member Organizations) to adopt new rule text based on FINRA Rule 0140 (Applicability), Nasdaq Stock Market LLC ("Nasdaq") General 2 (Organization and Administration), Section 6(a), and Nasdaq BX, Inc. ("Nasdaq BX") General 2 (Organization and Administration), Section 6(a). Specifically, the Exchange proposes a new subsection (b) in conformity with FINRA Rule 0140(a) (Applicability), Nasdaq General 2, Section 6(a), and Nasdaq BX General 2, Section 6(a).⁴ FINRA Rule 0140(a) provides that FINRA's rules apply to all members and persons associated with a member and that persons associated with a member shall have the same duties and obligations as a member under FINRA's rules. The Nasdaq Exchanges' Rules mirror FINRA Rule 0140(a) and similarly provide that Nasdaq and Nasdaq BX rules, as applicable, apply to all members and persons associated with a member and that persons associated with a member shall have the same duties and obligations as a member under such rules. Proposed Rule 0(b) is substantively the same as FINRA Rule 0140(a) except for the inclusion of "member organization" to reflect the Exchange's membership.⁵

The Exchange believes that the proposed rule change would improve the clarity of the Exchange's rules by reflecting that the Exchange's rules apply to persons associated with a member organization and that such persons have the same duties and obligations as their Exchange member organization employer. A member organization's compliance with Exchange rules may depend on the actions of persons associated with the member organization. Accordingly, the Exchange believes that the proposed rule, which mirrors the rules of FINRA and the Nasdaq Exchanges, would promote consistency in the Exchange's rules by expressly providing that the Exchange may enforce its rules with respect to persons associated with a member organization, including by

taking appropriate disciplinary action against such persons for their or their member firm's violation of NYSE rules. The Exchange notes that the proposed rule does not contemplate disciplinary action against individuals not involved in violations of Exchange rules.

2. Statutory Basis

The proposed rule change is consistent with section 6(b) of the Act,⁶ in general, and furthers the objectives of section 6(b)(5),⁷ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, protect investors and the public interest because the proposed changes would add clarity to the Exchange's rules. As previously noted, the proposed rule text conforms to current FINRA Rule 0140(a) and the Nasdaq Exchanges' Rules without substantive change. The Exchange believes that adopting separate rule text expressly providing that all Exchange rules apply to persons associated with a member organization and that such persons have the same duties and obligations as their Exchange member organization employer would benefit market participants by providing increased clarity regarding the Exchange's ability to enforce compliance with its rules by persons associated with a member organization, thereby reducing any potential confusion with respect to the Exchange's interpretation or application of its rules. Adding these clarifying statements to the Exchange's rules would also further the goals of transparency and consistency across the Exchange's rules and would provide greater harmonization between Exchange rules and FINRA and Nasdaq Exchanges' rules of similar purpose, resulting in less burdensome and more efficient regulatory compliance. For the same reasons, the addition of the proposed rule text would protect investors and the public interest and would therefore be consistent with

section 6(b)(5)⁸ of the Act. Thus, the proposed rule change would foster cooperation and coordination with persons engaged in facilitating transactions in securities and will remove impediments to and perfect the mechanism of a free and open market and a national market system.

Finally, the Exchange believes that the proposed change would be consistent with section 6(b)(1)⁹ of the Act because it would provide increased clarity regarding the Exchange's ability to enforce compliance with its rules by persons associated with a member organization, thereby reducing any potential confusion with respect to the Exchange's interpretation or application of its rules. As such, the proposed change would enable the Exchange to be so organized as to have the capacity to be able to enforce compliance by its exchange members and persons associated with its exchange members with the provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange, consistent with section 6(b)(1)¹⁰ of the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with adding clarity and transparency to the Exchange's rules and provide greater harmonization with approved FINRA and Nasdaq Exchanges' rules.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to section 19(b)(3)(A)(iii) of the Act¹¹ and Rule 19b-4(f)(6) thereunder.¹² Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on

competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under section 19(b)(2)(B)¹³ of the Act to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-495, OMB Control No. 3235-0553]

Proposed Collection; Comment Request; Extension: Rule 19b-7 and Form 19b-7

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 19b-7 (17 CFR 240.19b-7) and Form 19b-7, under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

The Exchange Act provides a framework for self-regulation under which various entities involved in the securities business, including national securities exchanges and national securities associations (collectively, self-regulatory organizations or "SROs"), have primary responsibility for

regulating their members or participants. The role of the Commission in this framework is primarily one of oversight; the Exchange Act charges the Commission with supervising the SROs and assuring that each complies with and advances the policies of the Exchange Act.

The Exchange Act was amended by the Commodity Futures Modernization Act of 2000 ("CFMA"). Prior to the CFMA, federal law did not allow the trading of futures on individual stocks or on narrow-based stock indexes (collectively, "security futures products"). The CFMA removed this restriction and provided that trading in security futures products would be regulated jointly by the Commission and the Commodity Futures Trading Commission ("CFTC").

The Exchange Act requires all SROs to submit to the SEC any proposals to amend, add, or delete any of their rules. Certain entities (Security Futures Product Exchanges) would be notice-registered national securities exchanges only because they trade security futures products. Similarly, certain entities (Limited Purpose National Securities Associations) would be limited-purpose national securities associations only because their members trade security futures products. The Exchange Act, as amended by the CFMA, established a procedure for Security Futures Product Exchanges and Limited Purpose National Securities Associations to provide notice of proposed rule changes relating to certain matters.¹ Rule 19b-7 and Form 19b-7 implemented this procedure. Effective April 28, 2008, the SEC amended Rule 19b-7 and Form 19b-7 to require that Form 19b-7 be submitted electronically.²

The collection of information is designed to provide the Commission with the information necessary to determine, as required by the Exchange Act, whether the proposed rule change is consistent with the Exchange Act and the rules thereunder. The information is used to determine if the proposed rule change should remain in effect or be abrogated.

¹ These matters are higher margin levels, fraud or manipulation, recordkeeping, reporting, listing standards, or decimal pricing for security futures products; sales practices for security futures products for persons who effect transactions in security futures products; or rules effectuating the obligation of Security Futures Product Exchanges and Limited Purpose National Securities Associations to enforce the securities laws. See 15 U.S.C. 78s(b)(7)(A).
