NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA-2015-052]

Records Management; General Records Schedule (GRS); GRS Transmittal 24

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of new General Records Schedule (GRS) Transmittal 24.

SUMMARY: NARA is issuing a new set of General Records Schedules (GRS) via GRS Transmittal 24. The GRS provides mandatory disposition instructions for administrative records common to several or all Federal agencies. Transmittal 24 announces changes we have made to the GRS since we published Transmittal 23 in September 2014. We are concurrently disseminating Transmittal 24 (the memo and the accompanying records schedules and documents) directly to

each agency's records management official and have also posted it on NARA's Web site.

DATES: This transmittal is effective the date it publishes in the **Federal Register**.

ADDRESSES: You can find this transmittal on NARA's Web site at <http://www.archives.gov/records-mgmt/grs/>. You can download the complete current GRS, in PDF format, from NARA's Web site at <http://www.archives.gov/records-mgmt/grs/index.html>.

FOR FURTHER INFORMATION CONTACT: For more information about this notice or to obtain paper copies of the GRS, contact Kimberly Keravuori, External Policy Program Manager, at regulation_comments@nara.gov, or by telephone at 301.837.3151.

You may contact NARA's GRS Team (within Records Management Services in the National Records Management Program, Office of the Chief Records Officer) with general questions about the GRS at GRS_Team@nara.gov.

Your agency's records officer may contact the NARA appraiser or records analyst with whom your agency normally works for support in carrying out this transmittal and the revised portions of the GRS. We have posted a list of the appraisal and scheduling work group and regional contacts on our Web site at <http://www.archives.gov/records-mgmt/appraisal/index.html>.

SUPPLEMENTARY INFORMATION:

What is GRS Transmittal 24 and how do I use it?

GRS Transmittal 24 is the issuing memo for newly-revised portions of the General Records Schedule (GRS). We are completely rewriting the GRS over the course of a five-year project. We published the master plan for that project in 2013 under records management memo AC 02.2013 (<http://www.archives.gov/records-mgmt/memos/ac02-2013.html>). The plan has since morphed in some details but its major outlines remain solid. Transmittal 23 was the first installment of the new GRS; this Transmittal 24 is the second.

Transmittal 24 contains:

- Ten new schedules (five previously issued in GRS Transmittal 23, plus five new ones for a complete set of all revised portions of the GRS to date);
- ten schedule-specific FAQs and crosswalks from new to old schedules (one for each new schedule);
- old schedules annotated to show which items are still in effect and which are superseded by items in new schedules;
