**SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34-97586; File No. SR-ICC-2023-006]

**Self-Regulatory Organizations; ICE Clear Credit LLC; Notice of Filing of Proposed Rule Change Relating to ICC's New Initiatives Approval Policy and Procedural Framework**

May 25, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934,<sup>1</sup> and Rule 19b-4,<sup>2</sup> notice is hereby given that on May 12, 2023, ICE Clear Credit LLC ("ICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been primarily prepared by ICC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Clearing Agency's Statement of the Terms of Substance of the Proposed Rule Change**

ICE Clear Credit LLC ("ICC") proposes a rule change to update the ICC New Initiatives Approval Policy and Procedural Framework ("NIA Policy"). This change does not require any revisions to the ICC Clearing Rules ("Rules").

**II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, ICC included statements concerning the purpose of and basis for the proposed rule change, security-based swap submission, or advance notice and discussed any comments it received on the proposed rule change, security-based swap submission, or advance notice. The text of these statements may be examined at the places specified in Item IV below. ICC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.

*(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

*(a) Purpose*

The NIA Policy sets forth ICC's policies and procedures for the review and approval of certain new initiatives to be offered or implemented by ICC ("New Initiatives"). New Initiatives are any new project approved by the Steering Committee (*i.e.*, an ICC

management committee responsible for prioritizing the implementation of initiatives and monitoring and guiding delivery) and identified by the New Initiative Approval Committee (the "NIAC") as requiring its approval prior to launch. The intention of the NIA Policy is to notify all relevant departments of the introduction of the New Initiative, provide for information sharing between departments, ensure prior to the launch of a New Initiative that all required governance and regulatory filings have been completed and New Initiative risks are considered, and establish requirements for the pre-launch verification and testing of the New Initiative.

ICC proposes to update its NIA Policy with the addition of Exhibit B, Approvals Matrix Review and Approval Process. ICC believes that such a change will facilitate the prompt and accurate clearance and settlement of securities transactions and derivative agreements, contracts, and transactions for which it is responsible. The proposed rule change is described in detail as follows.

The addition of the procedures set forth in Exhibit B, Approvals Matrix Review and Approval Process to Section IV Procedural Framework—Activity Steps is designed to formalize ICC's current New Initiatives review and approval process. Specifically, Exhibit B formalizes and describes ICC's procedures regarding the use of an "Approvals Matrix" in its review and approval of a given New Initiative. The lifecycle of an Approvals Matrix for a given New Initiative is set forth in Exhibit B and, in general, consists of three activity steps described below.

The first step is "Creation" of the Approvals Matrix. Upon the request of the NIAC Chair, the ICC Legal Department prepares an initial draft Approvals Matrix related to the particular New Initiative. An initial draft may be requested prior to the completion of the New Initiative, and in any case prior to ICC being granted all required approvals. Should the initial draft be requested prior to being granted all required approvals, a complete list of requires approvals (both granted and to be granted) will be incorporated in the Approvals Matrix. Furthermore, the Approvals Matrix will include the following information: (i) items requiring approval (*e.g.*, ICC Clearing Rules, ICC procedures), (ii) required filings/approvals related to each item (*e.g.*, ICC Risk Committee recommendation to the ICC Board of Managers, ICC Board of Managers, Commodity Futures Trading Commission ("CFTC"), Securities Exchange Commission ("SEC")), and
