RUS Form 675 provides an effective control against the unauthorized release of funds by providing a list of authorized signatures. OMB Circular A-123, Management Accountability and Control, states that information should be maintained on a current basis and that cash should be protected from unauthorized use. Form 675 allows borrowers to keep RUS up-to-date of any changes in signature authority and controls the release funds only to authorized borrower representatives.

L. 104-13) requires that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (*see* 5 CFR 1320.8(d)). This notice identifies an information collection that RUS is submitting to OMB for reinstatement.

*Title:* 7 CFR 1717, Subpart Y, Settlement of Debt Owed by Electric Borrowers.

*OMB Control Number:* 0572-0116.

*Type of Request:* Extension of a currently approved information collection.

*Abstract:* The Rural Utilities Service (RUS) makes mortgage loans and loan guarantees to electric systems to provide and improve electric service in rural areas pursuant to the Rural Electrification Act of 1936, as amended (7 U.S.C. 901 *et seq.*) (RE Act). This information collection requirement stems from passage of Pub. L. 104-127, on April 4, 1996, which amended section 331(b) of the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 *et seq.*) to extend to RUS the Secretary of Agriculture's authority to settle debts with respect to loans made

or guaranteed by RUS. Only those electric borrowers that are unable to fully repay their debts to the government and who apply to RUS for relief will be affected by this information collection.

The collection will require only that information which is essential for determining: the need for debt settlement; the amount of relief that is needed; the amount of debt that can be repaid; the scheduling of debt repayment; and, the range of opportunities for enhancing the amount of debt that can be recovered. The information to be collected will be similar to that which any prudent lender would require to determine whether debt settlement is required and the amount of relief that is needed. Since the need for relief is expected to vary substantially from case to case, so will the required information collection.

*Estimate of Burden:* Public reporting burden for this collection is estimated to average 3,000 hours per response.

*Respondents:* Not-for-profit institutions; Business or other for-profit institutions.

*Estimated Number of Respondents:* 1.  
*Estimated Number of Responses per Respondent:* 1.

*Estimated Total Annual Burden on Respondents:* 3,000 hours.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.
