- We may request that you provide us original signatures on forms at a later date.

V. Application Review Information

1. *Review and Selection Process:* The Department will screen applications that are submitted in accordance with the requirements in this notice and will determine which applications are eligible to be read based on whether they have met the eligibility and application requirements.

The Secretary of Education (Secretary) will also consider compliance with assurances, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance (such as, for ED programs, 34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

2. *Review of Requests for Flexibility, Including Blending of Funds and Other Waivers:* Representatives of the Agencies that administer programs under which flexibility in Federal requirements is sought will evaluate whether the flexibility, including blending of funds and other waivers, requested by applicants meets the statutory requirements for P3 and is otherwise appropriate. For example, if an applicant is seeking flexibility under programs administered by HHS and DOL, its requests for flexibility will be reviewed by HHS and DOL officials. Applicants may be asked to participate in telephone calls at this point in the process in order to clarify requests for flexibility and other aspects of their proposals.

3. *Selecting Finalists:* Agency officials may recommend projects for selection by the Secretary. In consultation with the other Agencies, the Secretary will select up to 10 finalists after considering the recommendations of the Agencies that administer the programs for which the applicants are seeking flexibility, and other information, including an applicant's performance and use of funds and compliance history under a previous award under any agency program. In selecting pilots, the Secretary will first give priority to applicants that will serve communities that have experienced civil unrest, to address the statutory requirement that designated pilots include communities that have experienced civil unrest, and will then select those applications that will serve the highest numbers of disconnected youth.

For each finalist, ED and any other Agencies implicated in the pilot will negotiate the performance agreement. If a performance agreement cannot be finalized for an applicant, an alternative applicant may be selected as a finalist instead. The recommended projects will be considered finalists until performance agreements are signed by all parties, and pilot designation will be awarded only after finalization and approval of each finalist's performance agreement.

VI. Designation Administration Information

1. *Designation Notices:* If your application is successful, we notify your U.S. Representative(s) and U.S. Senators and send you a letter notification of your selection as a pilot. We may notify you informally, also.

If your application is not evaluated or not selected as a pilot, we will notify you.

2. *Performance Measures:* The performance agreement for each pilot will include outcome measures, interim indicators, and targets.
