SUPPLEMENTARY INFORMATION:

Background

Section 162.45 of the Customs Regulations (19 CFR 162.45) sets forth the procedure that the Bureau of Customs and Border Protection (CBP) must follow when it seizes and gives notice of intent to forfeit property under administrative forfeiture proceedings, as required by section 607 of the Tariff Act of 1930, as amended (19 U.S.C. 1607). The statutory language allows for administrative forfeiture when CBP seizes (1) a prohibited importation; (2) a transporting conveyance if used to import, export, transport or store a controlled substance or listed chemical; (3) any monetary instrument within the meaning of 31 U.S.C. 5312(a)(3); or (4) any conveyance, merchandise or baggage for which its value does not exceed \$500,000.

Specifically, current § 162.45(b), Customs Regulations, addresses publication of notices under administrative forfeiture proceedings. If the value of the seized property exceeds \$2,500, paragraph (b)(1) requires publication of administrative forfeiture notices in a newspaper circulated at the Customs port and in the judicial district where the seizure occurred. All known parties-in-interest are notified of the newspaper and expected dates of publication of the notice.

It is proposed to amend § 162.45(b)(1) to raise the value threshold of property for which CBP must publish an administrative forfeiture notice in a newspaper from \$2,500 to \$5,000.

When the value of the seized property does not exceed \$2,500, current paragraph (b)(2) of § 162.45 allows CBP to publish a notice of seizure and intent to forfeit by posting it in a conspicuous place accessible to the public at the

customhouse nearest the place of seizure. If the proposed amendment to paragraph (b)(1) is adopted, the applicability of paragraph (b)(2) would be automatically expanded to seizures of property valued under \$5,000.

CBP last changed the regulation in 1985, when it increased the dollar threshold from \$250 to \$2,500. Since then, inflation has often caused the costs of publication in large metropolitan areas to exceed \$2,500. Thus, in many cases the publication costs can be prohibitive when compared to the value of the property advertised.

If implemented, the proposed change to the regulations would result in estimated yearly savings of at least \$147,000, based on FY 2002 expenditure levels.

Comments

Before adopting this proposed regulation as a final rule, consideration will be given to any written comments timely submitted to CBP, including comments on the clarity of this proposed rule and how it may be made easier to understand. Comments submitted will be available for public inspection in accordance with the Freedom of Information Act (5 U.S.C. 552) and § 103.11(b), Customs Regulations (19 CFR 103.11(b)), on normal business days between the hours of 9 a.m. and 4:30 p.m. at the Regulations Branch, Office of Regulations and Rulings, Bureau of Customs and Border Protection, 799 9th Street, NW., 5th Floor, Washington, DC. Arrangements to inspect submitted comments should be made in advance by calling Mr. Joseph Clark at (202) 572-8768.

Regulatory Flexibility Act and Executive Order 12866

CBP does not anticipate that the proposed amendment will have an impact on private parties, as it pertains to the agency's internal operating procedures. For that reason, it is certified that the proposed amendment, if adopted, will not have a significant economic impact on a substantial number of small entities, pursuant to the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). Accordingly, it is not subject to the regulatory analysis or other requirements of 5 U.S.C. 603 and 604.

For the same reasons, this document does not meet the criteria for a "significant regulatory action" as specified in E.O. 12866.

SUPPLEMENTARY INFORMATION:

I. Background

HUD has established the Native American Housing Assistance and Self-Determination Negotiated Rulemaking Committee for the purposes of discussing and negotiating a proposed rule that would change the regulations for the Indian Housing Block Grant (IHBG) program allocation formula, and other IHBG program regulations that arise out of the allocation or reallocation of IHBG funds.

The IHBG program was established under the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4101 *et seq.*) (NAHASDA). NAHASDA reorganized housing assistance to Native Americans by eliminating and consolidating a number of HUD assistance programs in a single block grant program. In addition, NAHASDA provides federal assistance for Indian tribes in a manner

that recognizes the right of Indian self-determination and tribal self-government. Following the procedures of the Negotiated Rulemaking Act of 1990 (5 U.S.C. 561-570), HUD and its tribal partners negotiated the March 12, 1998 (63 FR 12349) final rule, which created a new 24 CFR part 1000 containing the IHBG program regulations.

This document announces the final meeting of the Native American Housing Assistance and Self-Determination Negotiated Rulemaking Committee. The committee meeting will take place as described in the **DATES** and **ADDRESSES** section of this document. The agenda planned for the meeting includes discussion and approval of draft regulatory language. The meeting will be open to the public without advance registration. Public attendance may be limited to the space available. Members of the public may be allowed to make statements during the meeting, to the extent time permits, and file written statements with the committee for its consideration. Written statements should be submitted to the address listed in the **FOR FURTHER INFORMATION** section of this document.

Dated: January 9, 2004.

Rodger J. Boyd,

Deputy Assistant Secretary for Native American Programs.
