

this supplemental proposed interpretive rule.

*Submitting comments via <http://www.regulations.gov>.* The <http://www.regulations.gov> web page will require you to provide your name and contact information prior to submitting comments. Your contact information will be viewable to DOE Building Technologies staff only. Your contact information will not be publicly viewable except for your first and last names, organization name (if any), and submitter representative name (if any). If your comment is not processed properly because of technical difficulties, DOE will use this information to contact you. If DOE cannot read your comment due to technical difficulties and cannot contact you for clarification, DOE may not be able to consider your comment.

However, your contact information will be publicly viewable if you include it in the comment or in any documents attached to your comment. Any information that you do not want to be publicly viewable should not be included in your comment, nor in any document attached to your comment. Persons viewing comments will see only first and last names, organization names, correspondence containing comments, and any documents submitted with the comments.

Do not submit to <http://www.regulations.gov> information for which disclosure is restricted by statute, such as trade secrets and commercial or financial information (hereinafter referred to as Confidential Business Information (CBI)). Comments submitted through <http://www.regulations.gov> cannot be claimed as CBI. Comments received through the website will waive any CBI claims for the information submitted. For information on submitting CBI, see the Confidential Business Information section.

DOE processes submissions made through <http://www.regulations.gov> before posting. Normally, comments will be posted within a few days of being submitted. However, if large volumes of comments are being processed simultaneously, your comment may not be viewable for up to several weeks. Please keep the comment tracking number that <http://www.regulations.gov> provides after you have successfully uploaded your comment.

*Submitting comments via email, hand delivery, or postal mail.* Comments and documents via email, hand delivery, or postal mail will also be posted to <http://www.regulations.gov>. If you do not want your personal contact information to be

publicly viewable, do not include it in your comment or any accompanying documents. Instead, provide your contact information on a cover letter. Include your first and last names, email address, telephone number, and optional mailing address. The cover letter will not be publicly viewable as long as it does not include any comments.

Include contact information in your cover letter each time you submit comments, data, documents, and other information to DOE. If you submit via postal mail or hand delivery, please provide all items on a CD, if feasible, in which case it is not necessary to submit printed copies. No telefacsimiles (faxes) will be accepted.

Comments, data, and other information submitted electronically should be provided in PDF (preferred), Microsoft Word or Excel, WordPerfect, or text (ASCII) file format. Provide documents that are not secured, written in English, and free of any defects or viruses. Documents should not include any special characters or any form of encryption, and, if possible, they should carry the electronic signature of the author.

*Campaign form letters.* Please submit campaign form letters by the originating organization in batches of between 50 to 500 form letters per PDF or as one form letter with a list of supporters' names compiled into one or more PDFs. This reduces comment processing and posting time.

*Confidential Business Information.* Pursuant to 10 CFR 1004.11, any person submitting information that he or she believes to be confidential and exempt by law from public disclosure should submit via email, postal mail, or hand delivery two well-marked copies: One copy of the document marked "Confidential" including all the information believed to be confidential, and one copy of the document marked "Non-confidential" with the information believed to be confidential deleted. Submit these documents via email or on a CD, if feasible. DOE will make its own determination about the confidential status of the information and treat it according to its determination.

It is DOE's policy that all comments may be included in the public docket, without change and as received, including any personal information provided in the comments (except information deemed to be exempt from public disclosure).

DOE considers public participation to be a very important part of its process for considering regulatory actions. DOE actively encourages the participation

and interaction of the public during the comment period. Interactions with and between members of the public provide a balanced discussion of the issues and assist DOE in determining how to proceed with a regulatory action. Anyone who wishes to be added to DOE mailing list to receive future notices and information about this matter should contact Appliance and Equipment Standards Program staff at (202) 287-1445 or via email at [ApplianceStandardsQuestions@ee.doe.gov](mailto:ApplianceStandardsQuestions@ee.doe.gov).

## V. Approval of the Office of the Secretary

The Secretary of Energy has approved publication of this supplemental notice of proposed interpretive rule.

## BUREAU OF CONSUMER FINANCIAL PROTECTION

### 12 CFR Part 1026

[Docket No. CFPB-2020-0028]

RIN 3170-AA98

### Qualified Mortgage Definition Under the Truth in Lending Act (Regulation Z): Seasoned QM Loan Definition; Extension of Comment Period

**AGENCY:** Bureau of Consumer Financial Protection.

**ACTION:** Notice of proposed rulemaking; extension of comment period.

**SUMMARY:** On August 28, 2020, the Bureau of Consumer Financial Protection (Bureau) published in the **Federal Register** a Notice of Proposed Rulemaking (Seasoned QM Proposal) proposing to create a new category of qualified mortgages in Regulation Z for first-lien, fixed-rate covered transactions that have met certain performance requirements over a 36-month seasoning period, are held in portfolio until the end of the seasoning period, comply with general restrictions on product features and points and fees, and meet certain underwriting requirements. The 30-day comment period for the Seasoned QM Proposal is counted from the date of publication, which was August 28. Thus, the 30-day comment period was set to close on September 28, 2020, which this year is the date on which the Jewish holiday Yom Kippur falls. In response to a request that we change the due date in light of the holiday, the Bureau is extending the comment period for the Seasoned QM Proposal until October 1, 2020.

**DATES:** The comment period for the Seasoned QM Proposal published August 28, 2020, at 85 FR 53568, is extended. Responses to the Seasoned QM Proposal must now be received on or before October 1, 2020.

**ADDRESSES:** You may submit responsive information and other comments, identified by Docket No. CFPB–2020–0028, by any of the following methods:

- **Federal eRulemaking Portal:** Go to <http://www.regulations.gov>. Follow the instructions for submitting comments.

- **Email:** 2020-NPRM-SeasonedQM@cfpb.gov. Include Docket No. CFPB–2020–0028 in the subject line of the message.

- **Mail/Hand Delivery/Courier:** Comment Intake, Bureau of Consumer Financial Protection, 1700 G Street NW, Washington, DC 20552. Please note that due to circumstances associated with the COVID–19 pandemic, the Bureau discourages the submission of comments by mail, hand delivery, or courier.

- **Instructions:** The Bureau encourages the early submission of comments. All submissions must include the document title and docket number. Because paper mail in the Washington, DC area and at the Bureau is subject to delay, and in light of difficulties associated with mail and hand deliveries during the COVID–19 pandemic, commenters are encouraged to submit comments electronically. In general, all comments received will be posted without change to <http://www.regulations.gov>. In addition, once the Bureau's headquarters reopens,

comments will be available for public inspection and copying at 1700 G Street NW, Washington, DC 20552, on official business days between the hours of 10 a.m. and 5 p.m. Eastern Time. At that time, you can make an appointment to inspect the documents by telephoning 202–435–9169.

All submissions in response to the Seasoned QM Proposal, including attachments and other supporting materials, will become part of the public record and subject to public disclosure. Please do not include sensitive personal information in your submissions, such as account numbers or Social Security numbers, or names of other individuals, or other information that you would not ordinarily make public, such as trade secrets or confidential commercial information. Submissions will not be edited to remove any identifying or contact information, or other information that you would not ordinarily make public. If you wish to submit trade secret or confidential commercial information, please contact the individuals listed in the **FOR FURTHER INFORMATION CONTACT** section below. Information submitted to the Bureau will be treated in accordance with the Bureau's Rule on the Disclosure of Records and Information, 12 CFR part 1070 *et seq.*

**FOR FURTHER INFORMATION CONTACT:** For general inquiries and submission process questions, please call Ruth Van Veldhuizen, Counsel, or Joan Kayagil or Amanda Quester, Senior Counsels, Office of Regulations at 202–435–7700. If you require this document in an alternative electronic format, please contact [CFPB\\_Accessibility@cfpb.gov](mailto:CFPB_Accessibility@cfpb.gov).

**SUPPLEMENTARY INFORMATION:** With certain exceptions, Regulation Z requires creditors to make a reasonable, good faith determination of a consumer's ability to repay any residential mortgage loan, and loans that meet Regulation Z's requirements for QMs obtain certain protections from liability. Regulation Z contains several categories of QMs, including the General QM category and a temporary category (Temporary GSE QM loans) of loans that are eligible for purchase or guarantee by government-sponsored enterprises (GSEs) while they are operating under the conservatorship or receivership of the Federal Housing Finance Agency (FHFA). On August 18, 2020, the Bureau issued the Seasoned QM Proposal to create a new category of QMs (Seasoned QMs) for first-lien, fixed-rate covered transactions that have met certain performance requirements over a 36-month seasoning period, are held in portfolio until the end of the

seasoning period, comply with general restrictions on product features and points and fees, and meet certain underwriting requirements. The Bureau's primary objective with the Seasoned QM Proposal is to ensure access to responsible, affordable mortgage credit by adding a Seasoned QM definition to the existing QM definitions. The Seasoned QM Proposal was published in the **Federal Register** on August 28, 2020.<sup>1</sup>

The Bureau provided for a 30-day comment period for the Seasoned QM Proposal. The 30-day comment period is counted from the date of publication, which was August 28. Thus, the 30-day public comment period was set to close on September 28, 2020. Subsequent to the issuance of the Seasoned QM Proposal, representatives from a consumer group asked the Bureau to extend the deadline for submission of comments because the originally established deadline of September 28, 2020 is the date this year of the Jewish holiday Yom Kippur. In response to this request, the Bureau is extending the comment period for the Seasoned QM Proposal to October 1, 2020.

#### Signing Authority

The Director of the Bureau, having reviewed and approved this document, is delegating the authority to electronically sign this document to Laura Galban, a Bureau Federal Register Liaison, for purposes of publication in the **Federal Register**.

Dated: September 21, 2020.
