Postponement of Preliminary Results: The Department of Commerce (the Department) is postponing the preliminary results in the antidumping administrative reviews of Certain Cut-to-Length Carbon Steel Plate from Germany. The deadline for issuing the preliminary results in these administrative reviews is now August 30, 2000.

On October 29, 1999, the Department initiated these administrative reviews, setting May 2, 2000 as the date for issuing the preliminary results of the review. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part Thursday*, July 29, 1999 (63 FR 58009 and 64 FR 53318). The date for issuing the preliminary results is moved from May 2, 2000 to August 30, 2000.

DEPARTMENT OF COMMERCE**International Trade Administration****[A-428-821]****Notice of Court Decision and Suspension of Liquidation: Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, From Germany**

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice.

SUMMARY: On March 8, 2000, in *Koenig & Bauer-Albert AG, et al., v. United States*, Consol. Court No. 96-10-02298, Slip Op. 00-25, a lawsuit challenging the Department of Commerce's final affirmative antidumping duty determination of large newspaper printing presses and components thereof, whether assembled or unassembled, from Germany, the Court of International Trade affirmed the Department of Commerce's remand determination and entered a judgement order. In its remand determination, the Department addressed issues of collapsing and cost-averaging relevant to producer/exporter MAN Roland Druckmaschinen AG and its wholly-owned subsidiary MAN Plamag Druckmaschinen AG. As a result, the final antidumping duty rate for MAN Roland Druckmaschinen AG and MAN Plamag Druckmaschinen AG has increased from 30.72 percent to 39.53 percent *ad valorem*. This decision was not in harmony with the Department's original final determination.

Consistent with the decision of the Court of Appeals for the Federal Circuit in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990), the Department of Commerce will direct the Customs Service to change the cash deposit rate being used in connection with the suspension of liquidation of the subject merchandise and liquidate entries of the subject merchandise during the period March 1, 1996 through August 31, 1997, at the amended rate, as appropriate, once there is a "final and conclusive" decision in this case.

EFFECTIVE DATE: April 7, 2000.

SUPPLEMENTARY INFORMATION:**Background**

On July 23, 1996, the Department of Commerce (the Department) published notice of its final determination of less-than-fair-value (LTFV) investigation of large newspaper printing presses and components thereof, whether assembled or unassembled (LNPP), from Germany. *See Notice of Final Determination of Sales at Less Than Fair Value: Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, from Germany*, 61 FR 38166 (July 23, 1996) (LNPP Germany Final Determination). In the final determination of the LTFV investigation, the Department established a final dumping margin of 30.80 percent *ad valorem* for MAN Roland Druckmaschinen AG (MAN Roland) and All Others (except Koenig Bauer-Albert AG (KBA) for which a 46.40 percent margin was established based on adverse facts available). On September 4, 1996, the Department published an antidumping duty order correcting ministerial errors made in the final determination and instructing the Customs Service to collect cash deposits at the rate of 30.72 percent *ad valorem* for MAN Roland and All Others (except KBA as indicated above), on entries of the subject merchandise entered or withdrawn from warehouse on or after that date. *See Notice of Antidumping Duty Order and Amended Final Determination of Sales at Less Than Fair Value: Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, from Germany*, 61 FR 46623 (September 4, 1996).

Following publication of the Department's antidumping duty order, the respondent MAN Roland and the petitioner Goss Graphic System, Inc., filed a lawsuit with the Court of International Trade (CIT) challenging various aspects of the Department's final determination of the LTFV investigation. In its first decision in this case on June 23, 1998, *Koenig & Bauer-Albert AG, et al., v. United States*, 15 F. Supp. 2d 834, 849-850, 854-855 (CIT 1998), Slip Op. 98-83 at 28-30, 40-43, the CIT issued an order remanding two issues to the Department. In its remand instructions, the Court ordered the
