The conference call meeting will be coordinated through a conference call connection in room 6013 Ariel Rios North (6th Floor), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue N.W., Washington, DC. The public is strongly encouraged to attend the meeting through a telephonic link, but may attend physically if arrangements are made in advance with the SAB staff. In both cases, arrangements should be made with the SAB staff by noon the Wednesday *before* the meeting. Staff may not be able to accommodate the presence of people who appear in person without advance notice. Purpose of the Meetings: The Subcommittee is preparing a report on the Arsenic Benefits assessment as announced in the **Federal Register** Notice on July 2, 2001, 66 FR 34924–34928. The purpose of the call is to allow the Subcommittee to complete its work on this issue.

Availability of the written materials in advance of the conference call meetings: The draft report will become available to the public shortly before the meeting and it will be made available to the public on request by Email before the meeting. For email copies, please contact Mr. Thomas Miller, Designated Federal Officer, at miller.tom@epa.gov.

For Further Information—Any member of the public wishing further information concerning the conference call meeting or wishing to submit brief oral comments must contact Mr. Thomas Miller, Designated Federal Officer, Science Advisory Board (1400A), U.S. Environmental Protection Agency, Ariel Rios Building, 1200 Pennsylvania Avenue, NW, Washington, DC 20460; telephone (202) 564-4558; FAX (202) 501-0582; or via e-mail at miller.tom@epa.gov. Providing Oral or Written Comments at SAB Meetings

It is the policy of the Science Advisory Board to accept written public comments of any length, and to accommodate oral public comments whenever possible. Oral Comments: For teleconference meetings, opportunities for oral comment will usually be limited to no more than three minutes per speaker and no more than fifteen minutes total. Deadlines for getting on the public speaker list for a meeting are given above. Speakers should both e-mail their comments to the DFO in MSWord and WordPerfect formats (suitable for IBM-PC/Windows 95/98) and provide 5 paper copies of their comments and presentation slides for distribution to the reviewers and public at the meeting. *Written Comments:* Although the SAB accepts written comments until the date of the meeting (unless otherwise stated), because this is a conference call meeting, any comments to be mailed to the Subcommittee in advance of the

meeting should be received in the SAB Staff Office by noon at least a week before the meeting. E-mailed comments will be accepted until the day before the meeting, although earlier submission is encouraged; these should be sent in both MSWord and WordPerfect comments (suitable for IBM-PC/Windows 95/98).
