

in the **Federal Register** to February 10, 2023.

Additional Information

A. Comments Invited

The FAA invites interested persons to participate in this rulemaking by submitting written comments, data, or views. The agency also invites comments relating to the economic, environmental, energy, or federalism impacts that might result from adopting the proposals in this document. The most helpful comments reference a specific portion of the proposal, explain the reason for any recommended change, and include supporting data. To ensure the docket does not contain duplicate comments, commenters should send only one copy of written comments, or if comments are filed electronically, commenters should submit only one time.

The FAA will file in the docket all comments it receives, as well as a report summarizing each substantive public contact with FAA personnel concerning this proposed rulemaking. Before acting on this proposal, the FAA will consider all comments it receives on or before the closing date for comments. The FAA will consider comments filed after the comment period has closed if it is possible to do so without incurring expense or delay. The agency may change this proposal in light of the comments it receives.

Confidential Business Information: Confidential Business Information (CBI) is commercial or financial information that is both customarily and actually treated as private by its owner. Under the Freedom of Information Act (FOIA) (5 U.S.C. 552), CBI is exempt from public disclosure. If your comments responsive to this NPRM contain commercial or financial information that is customarily treated as private, that you actually treat as private, and that is relevant or responsive to this NPRM, it is important that you clearly designate the submitted comments as CBI. Please mark each page of your submission containing CBI as "PROPIN." The FAA will treat such marked submissions as confidential under the FOIA, and they will not be placed in the public docket of this NPRM. Submissions containing CBI should be sent to the person identified in the **FOR FURTHER INFORMATION CONTACT** section of this document. Any commentary that the FAA receives which is not specifically designated as CBI will be placed in the public docket for this rulemaking.

B. Electronic Access and Filing

A copy of the notice of proposed rulemaking (NPRM), all comments received, any final rule, and all background material may be viewed online at <https://www.regulations.gov> using the docket number listed above. A copy of this rule will be placed in the docket. Electronic retrieval help and guidelines are available on the website. It is available 24 hours each day, 365 days each year. An electronic copy of this document may also be downloaded from the Office of the Federal Register's website at <https://www.federalregister.gov> and the Government Publishing Office's website at <https://www.govinfo.gov>. A copy may also be found at the FAA's Regulations and Policies website at https://www.faa.gov/regulations_policies.

Copies may also be obtained by sending a request to the Federal Aviation Administration, Office of Rulemaking, ARM-1, 800 Independence Avenue SW, Washington, DC 20591, or by calling (202) 267-9677. Commenters must identify the docket or notice number of this rulemaking. All documents the FAA considered in developing this proposed rule, including economic analyses and technical reports, may be accessed in the electronic docket for this rulemaking.

Authority

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106, describes the authority of the FAA Administrator to promulgate regulations and rules. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority.

The proposed rulemaking was promulgated under the authority granted to the Administrator in 49 U.S.C. Subtitle VII, Part A, Subpart iii, Chapter 401, Section 40113 (prescribing general authority of the Administrator of the FAA with respect to aviation safety duties and powers to prescribe regulations) and Subpart III, Chapter 447, Sections 44701 (general authority of the Administrator to promote safe flight of civil aircraft in air commerce by prescribing regulations and setting minimum standards for other practices, methods, and procedures necessary for safety in air commerce and national security), 44702 (general authority of the Administrator to issue airman certificates), and 44703 (general authority of the Administrator to prescribe regulations for the issuance of airman certificates when the

Administrator finds, after investigation, that an individual is qualified for and physically able to perform the duties related to the position authorized by the certificate). The subject rulemaking proposal was previously issued within the scope of that authority.

This extension to the comment period for the aforementioned rulemaking is issued under authority provided by 49 U.S.C. 106(f), 44701(a), and 44703 in Washington, DC, on December 23, 2023.

Brandon Roberts,

Executive Director, Office of Rulemaking.

BILLING CODE P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2022-0895]

RIN 1625-AA00

Safety Zone; Potomac River, Between Charles County, MD and King George County, VA

AGENCY: Coast Guard, DHS.

ACTION: Supplemental notice of proposed rulemaking; re-opening of public comment period.

SUMMARY: On November 8, 2022, the Coast Guard published a notice of proposed rulemaking to establish a temporary safety zone from February 1, 2023 through February 14, 2023, to provide for the safety of life on certain waters of the Potomac River during demolition operations at the old Governor Harry W. Nice/Senator Thomas "Mac" Middleton Memorial (US-301) Bridge. The Coast Guard is publishing this revised notice of proposed rulemaking because the bridge contractor has changed the scheduled dates and location sequence in which the explosives demolition will occur. We invite your comments on this proposed rulemaking.

DATES: Comments and related material must be received by the Coast Guard on or before February 2, 2023.

ADDRESSES: You may submit comments identified by docket number USCG-2022-0895 using the Federal Decision Making Portal at <https://www.regulations.gov>. See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email MST2 Courtney Perry, Sector Maryland-NCR, Waterways Management Division, U.S. Coast Guard; telephone 410-576-2596, email *D05-DG-SectorMD-NCR-Prevention-WWM@uscg.mil*.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
COTP Captain of the Port
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background, Purpose, and Legal Basis

The Coast Guard published an NPRM on November 8, 2022 (87 FR 67430), proposing to establish a safety zone for demolition operations at the old Governor Harry W. Nice/Senator Thomas “Mac” Middleton Memorial (US-301) Bridge on the Potomac River, from 12:01 a.m. on February 1, 2023, to 11:59 p.m. on February 14, 2023. After publication of that notice, the Coast Guard was informed by the bridge contractor that the scheduled dates and location sequence in which the explosives demolition will occur has been changed. Instead of using explosives to demolish the old bridge from February 1, 2023 through February 14, 2023, the bridge contractor has decided to start to use explosives to demolish the old bridge over navigable waters from March 1, 2023 through March 17, 2023. Therefore, the dates of the safety zone is changed. Additionally, instead of using explosives to demolish the segment of the old bridge over waters that include the steel truss sections between Piers 13 and 16 (including the main span over the Federal navigation channel) first in the explosives demolition sequence, the bridge contractor has decided to start to use explosives to demolish the segment of the old bridge over waters that include the steel truss sections between Piers 8 and 13 (outside and to the west of the Federal navigation channel) and conduct associated debris removal and hydrographic surveying equipment. Therefore, the location of Area 1 of the safety zone is changed. These are the only changes from the original proposal published on November 8. We are issuing this supplemental proposal to amend the safety zone to account for the change in the scheduled dates, and the location of Area 1 of the safety zone, and to re-open the comment period to account for this change.

The purpose of this rulemaking is to ensure the safety of vessels and the navigable waters outside and to the west of the Federal navigation channel at the old Governor Harry W. Nice/Senator Thomas “Mac” Middleton Memorial (US-301) Bridge before, during, and after the scheduled event. The Coast Guard is proposing this rulemaking under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231).

III. Discussion of Proposed Rule

The COTP is proposing to establish a safety zone from 12:01 a.m. on March 1, 2023, to 11:59 p.m. on March 17, 2023. The safety zone would cover the following areas:

Area 1. All navigable waters of the Potomac River, encompassed by a line connecting the following points beginning at 38°21′48.14″ N, 076°59′40.45″ W, thence south to 38°21′37.90″ N, 076°59′38.25″ W, thence west to 38°21′35.18″ N, 076°59′59.06″ W, thence north to 38°21′45.57″ N, 077°00′01.84″ W, and east back to the beginning point, located between Charles County, MD, and King George County, VA.

Area 2. All navigable waters of the Potomac River, within 1,500 feet of the explosives barge located in approximate position 38°21′21.47″ N, 076°59′45.40″ W.

The duration of the zone is intended to ensure the safety of vessels and these navigable waters before, during, and after the scheduled demolition and debris removal. Except for marine equipment and vessels operated by Skanska-Corman-McLean, Joint Venture, or its subcontractors, no vessel or person would be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. The term designated representative also includes an employee or contractor of Skanska-Corman-McLean, Joint Venture for the sole purposes of designating and establishing safe transit corridors, to permit passage into or through the safety zone, or to notify vessels and individuals that they have entered the safety zone and are required to leave.

The COTP will notify the public that the safety zone will be enforced by all appropriate means to the affected segments of the public, as practicable, in accordance with 33 CFR 165.7(a). Such means of notification will also include, but are not limited to, Broadcast Notice to Mariners. Vessels or persons violating this rule are subject to the penalties set forth in 46 U.S.C. 70036 (previously codified in 33 U.S.C. 1232) and 46 U.S.C. 70052 (previously codified in 50 U.S.C. 192). The regulatory text we are

proposing appears at the end of this document.

IV. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This NPRM has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, the NPRM has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location and time of year of the safety zone. The temporary safety zone is approximately 600 yards in width and 400 yards in length. This safety zone would impact a small designated area of the Potomac River for 17 total days, but we anticipate that there would be no vessels that are unable to conduct business. Excursion vessels and commercial fishing vessels are not impacted by this rulemaking. Excursion vessels do not operate in this area, and commercial fishing vessels are not impacted because of their draft. Some towing vessels may be impacted, but bridge project personnel have been conducting outreach throughout the project in order to coordinate with those vessels. This safety zone would be established outside the normal recreational boating season for this area, which occurs during the summer season. Additionally, vessel traffic, including recreational vessels, not required to use the navigation channel would be able to safely transit around the safety zone. Such vessels may be able to transit to the east or the west of the Federal navigation channel, as similar vertical clearance and water depth exist under the next bridge span to the east and west. Moreover, the Coast Guard would issue Local Notices to Mariners and a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The

term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above, this proposed rule would not have a significant economic impact on any vessel owner or operator.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this proposed rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the proposed rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

C. Collection of Information

This proposed rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132 (Federalism), if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this proposed rule does not have tribal implications under Executive Order 13175 (Consultation and Coordination with Indian Tribal

Governments) because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this proposed rule has implications for federalism or Indian tribes, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the potential effects of this proposed rule elsewhere in this preamble.

F. Environment

We have analyzed this proposed rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves a safety zone lasting 17 total days that would prohibit entry within a portion of the Potomac River. Normally such actions are categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A preliminary Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your

message can be received without jeopardizing the safety or security of people, places, or vessels.

V. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation.

Submitting comments. We encourage you to submit comments through the Federal Decision Making Portal at <https://www.regulations.gov>. To do so, go to <https://www.regulations.gov>, type USCG–2022–0895 in the search box and click “Search.” Next, look for this document in the Search Results column, and click on it. Then click on the Comment option. If you cannot submit your material by using <https://www.regulations.gov>, call or email the person in the **FOR FURTHER INFORMATION CONTACT** section of this proposed rule for alternate instructions.

Viewing material in docket. To view documents mentioned in this proposed rule as being available in the docket, find the docket as described in the previous paragraph, and then select “Supporting & Related Material” in the Document Type column. Public comments will also be placed in our online docket and can be viewed by following instructions on the <https://www.regulations.gov> Frequently Asked Questions web page. We review all comments received, but we will only post comments that address the topic of the proposed rule. We may choose not to post off-topic, inappropriate, or duplicate comments that we receive.

Personal information. We accept anonymous comments. Comments we post to <https://www.regulations.gov> will include any personal information you have provided. For more about privacy and submissions to the docket in response to this document, see DHS’s eRulemaking System of Records notice (85 FR 14226, March 11, 2020).

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard is proposing to amend 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

■ 2. Add § 165.T05–0895 to read as follows:

§ 165.T05–0895 Safety Zone; Potomac River, Between Charles County, MD and King George County, VA.

(a) *Location.* The following areas are a safety zone: These coordinates are based on datum NAD 83.

(1) *Area 1.* All navigable waters of the Potomac River, encompassed by a line connecting the following points beginning at 38°21'48.14" N, 076°59'40.45" W, thence south to 38°21'37.90" N, 076°59'38.25" W, thence west to 38°21'35.18" N, 076°59'59.06" W, thence north to 38°21'45.57" N, 077°00'01.84" W, and east back to the beginning point, located between Charles County, MD, and King George County, VA.

(2) *Area 2.* All navigable waters of the Potomac River within 1,500 feet of the explosives barge located in approximate position 38°21'21.47" N, 076°59'45.40" W.

(b) *Definitions.* As used in this section—

Captain of the Port (COTP) means the Commander, U.S. Coast Guard Sector Maryland-National Capital Region.

Designated representative means any Coast Guard commissioned, warrant, or petty officer, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Maryland-National Capital Region (COTP) in the enforcement of the safety zone. The term also includes an employee or contractor of Skanska-Corman-McLean, Joint Venture for the sole purposes of designating and establishing safe transit corridors, to permit passage into or through the safety zone, or to notify vessels and individuals that they have entered the safety zone and are required to leave.

Marine equipment means any vessel, barge or other equipment operated by Skanska-Corman-McLean, Joint Venture, or its subcontractors.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, except for marine equipment, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP, Skanska-Corman-McLean, Joint Venture,

or the COTP's designated representative. If a vessel or person is notified by the COTP, Skanska-Corman-McLean, Joint Venture, or the COTP's designated representative that they have entered the safety zone without permission, they are required to immediately leave in a safe manner following the directions given.

(2) Mariners requesting to transit any of these safety zone areas must first contact the Skanska-Corman-McLean, Joint Venture designated representative, the on-site project manager by telephone number 785–953–1465 or on Marine Band Radio VHF–FM channels 13 and 16 from the pusher tug Miss Stacy. If permission is granted, mariners must proceed at their own risk and strictly observe any and all instructions provided by the COTP, Skanska-Corman-McLean, Joint Venture, or designated representative to the mariner regarding the conditions of entry to and exit from any area of the safety zone. The COTP or the COTP's representative can be contacted by telephone number 410–576–2693 or on Marine Band Radio VHF–FM channel 16 (156.8 MHz).

(3) The Coast Guard will publish a notice in the Fifth Coast Guard District Local Notice to Mariners and issue marine information broadcasts on VHF–FM marine band radio announcing specific enforcement dates and times.

(d) *Enforcement officials.* The U.S. Coast Guard may be assisted in the patrol and enforcement of the safety zone by Federal, State, and local agencies.

(e) *Enforcement period.* This section will be enforced from 12:01 a.m. on March 1, 2023, to 11:59 p.m. on March 17, 2023.

Dated: December 27, 2022.

David E. O'Connell,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this action apply to me?

You may be potentially affected by this action if you are an agricultural producer, food manufacturer, or pesticide manufacturer. The following list of North American Industrial Classification System (NAICS) codes is not intended to be exhaustive, but rather provides a guide to help readers determine whether this document applies to them. Potentially affected entities may include:

- Crop production (NAICS code 111).
- Animal production (NAICS code 112).
- Food manufacturing (NAICS code 311).
- Pesticide manufacturing (NAICS code 32532).
