OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Request for Public Comments on Annual Review of Country Eligibility for Benefits Under the African Growth and Opportunity Act

AGENCY: Office of the United States Trade Representative.

ACTION: Notice and request for comments.

SUMMARY: The African Growth and Opportunity Act Implementation Subcommittee of the Trade Policy Staff Committee (the "Subcommittee") is requesting written public comments for the annual review of the eligibility of

sub-Saharan African countries to receive the benefits of the African Growth and Opportunity Act (AGOA). The Subcommittee will consider these comments in developing recommendations on AGOA country eligibility for the President. Comments received related to the child labor criteria may also be considered by the Secretary of Labor for the preparation of the Department of Labor's report on child labor as required under section 412(c) of the Trade and Development Act of 2000. This notice identifies the eligibility criteria that must be considered under AGOA, and lists those sub-Saharan African countries that are currently eligible for the benefits of the AGOA, and those that are currently ineligible for such benefits.

DATES: Public comments are due at the Office of the U.S. Trade Representative (USTR) by noon, Monday, October 22, 2007.

ADDRESSES: USTR prefers submission by electronic mail: FR0720@ustr.eop.gov. If you are unable to make a submission by e-mail, submissions should be made by facsimile to: Gloria Blue, Executive Secretary, Trade Policy Staff Committee, at (202) 395-6143. The public is strongly encouraged to submit documents electronically rather than by facsimile. See requirements for submissions below.

FOR FURTHER INFORMATION CONTACT: For procedural questions, please contact Gloria Blue, Office of the U.S. Trade Representative, 600 17th Street, NW., Room F516, Washington, DC 20508, at (202) 395-3475. All other questions should be directed to Constance Hamilton, Deputy Assistant U.S. Trade Representative for Africa, Office of the U.S. Trade Representative, at (202) 395-9514.

SUPPLEMENTARY INFORMATION: The AGOA (Title I of the Trade and Development Act of 2000, Pub. L. 106-200) (19 U.S.C. 3721 *et seq.*), as amended, authorizes the President to designate sub-Saharan African countries as beneficiary sub-Saharan African countries eligible for duty-free treatment for certain additional products under the Generalized System of Preferences (GSP) (Title V of the Trade Act of 1974 (19 U.S.C. 2461 *et seq.*) (the "1974 Act")), as well as for the preferential treatment the AGOA provides for certain textile and apparel articles.

The President may designate a country as a beneficiary sub-Saharan African country eligible for both the additional GSP benefits and the textile and apparel benefits of the AGOA for countries meeting certain statutory requirements intended to prevent

unlawful transshipment of such articles, if he determines that the country meets the eligibility criteria set forth in: (1) Section 104 of the AGOA; and (2) section 502 of the 1974 Act. For 2007, 39 countries have been designated as beneficiary sub-Saharan African countries. These countries, as well as the 9 countries currently ineligible, are listed below. Section 506A of the 1974 Act provides that the President shall monitor, review, and report to Congress annually on the progress of each sub-Saharan African country in meeting the foregoing eligibility criteria in order to determine whether each beneficiary sub-Saharan African country should continue to be eligible, and whether each sub-Saharan African country that is currently not a beneficiary sub-Saharan African country, should be designated as such a country. The President's determinations will be included in the annual report submitted to Congress as required by Section 106 of the AGOA. Section 506A of the 1974 Act requires that, if the President determines that a beneficiary sub-Saharan African country is not making continual progress in meeting the eligibility requirements, he must terminate the designation of the country as a beneficiary sub-Saharan African country.

The Subcommittee is seeking public comments in connection with the annual review of the eligibility of beneficiary sub-Saharan African countries for the AGOA's benefits. The Subcommittee will consider any such comments in developing recommendations on country eligibility for the President. Comments related to the child labor criteria may also be considered by the Secretary of Labor in making the findings required under section 504 of the 1974 Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-56492; File No. SR-CBOE-2007-106]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing of Proposed Rule Change Relating to CBOE Rules Governing Doing Business With the Public

September 21, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 5, 2007, Chicago Board Options Exchange, Incorporated ("CBOE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is proposing to amend certain rules that govern an Exchange

member's conduct in doing business with the public. Specifically, the proposed rule change would require member organizations to integrate the responsibility for supervision of a member organization's public customer options business into its overall supervisory and compliance program. In addition, the Exchange proposes to amend certain rules to strengthen member organizations' supervisory procedures and internal controls as they relate to a member's public customer options business. The text of the proposed rule change is available at CBOE, the Commission's Public Reference Room and <http://www.cboe.org/legal>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CBOE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, Proposed Rule Change

1. Purpose

a. Integration of Options Supervision

The purpose of the proposed rule change is to create a supervisory structure for options that is similar to that required by New York Stock Exchange ("NYSE") and National Association of Securities Dealers ("NASD") rules.³ The proposed rule change would eliminate the requirement that member organizations qualified to do a public customer business in options must designate a single person to act as Senior Registered Options Principal ("SROP") for the member organization and that each such member organization designate a specific individual as a Compliance Registered Options Principal ("CROP"). Instead member organizations would be

³ See NYSE Rule 342 and NASD Rule 3010. On July 26, 2007, the Commission approved a proposed rule change filed by NASD to amend NASD's Certificate of Incorporation to reflect its name change to Financial Industry Regulatory Authority Inc., or FINRA, in connection with the consolidation of the member firm regulatory functions of NASD and NYSE Regulation, Inc. See Securities Exchange Act Release No. 56146 (July 26, 2007).
