Needs and Uses: The information collected through NAVMC Form 10064, "Personal Information Questionnaire," is needed to verify a potential officer candidate's moral character. Information pertaining to an applicant's moral character is of the utmost importance when applying for a program. As a commissioned officer in the United States Marine Corps, these men and women will be expected to lead others by example, upholding the Marine Corps Values of honor, courage, and commitment. The potential applicant

provides five character references, via the NAVMC 10064 Personal Information Questionnaire (PIQ), to the Marine Corps Officer Selection Officer (OSO) during the Marine Corps Officer Candidate application. Applicants are advised that PIQs from employers, educators, and other professional individuals are preferred over PIQs from peers, close friends, and neighbors and must be used in lieu of PIQs from relatives. In order to provide an OSO with an accurate and impartial depiction of an applicant's character, the OSO will contact the references and provide the PIQ via email for completion. A sample copy of the accompanying email is included in the package as a supporting document. Once the reference has completed the form, they will sign it electronically and return it to the OSO via email. In limited cases, the respondent may request to hand deliver their response to the OSO or receive/return the PIQ via the U.S. Postal Services. A postage-free envelope is provided to the respondent if required. The OSO ensures the integrity of the PIQ process by not allowing applicants to directly handle PIQ forms.
