In accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(d) (2002), we are initiating AD and CVD new shipper reviews for Seed Timber Co. Ltd (Seed Timber).

Background

On May 28, 2004, the Department received a timely request from Seed Timber, in accordance with 19 CFR 351.214(d), for a new shipper review of the AD and CVD orders on certain softwood lumber from Canada, which have a May anniversary month.¹

As required by 19 CFR 351.214(b)(2)(I) and (iii)(A), Seed Timber certified that it did not export certain softwood lumber to the United States during the period of investigation (POI), and that it has never been affiliated with any exporter or producer which exported certain softwood lumber during the POI.² Pursuant to 19 CFR 351.214(b)(2)(iv), the company submitted documentation establishing the date on which it first shipped the subject merchandise to the United States, the date of entry of that first shipment, the volume of that and subsequent shipments, the date of the first sale to an unaffiliated customer in the United States, and that it has informed the Governments of Canada and British Columbia that they will be required to provide a full response to the Department's questionnaire.³
