Title of Proposal: Customer Satisfaction Surveys.

OMB Control Number, if applicable: 2535-New.

Respondents: Individuals, Business, or other for-profit, Not-for profit institutions, State, Local or Tribal Government.

Description of the need for the information and proposed use: Executive Order 12862, "Setting Customer Service Standards" requires that Federal agencies provide the highest quality service to our customers by identifying them and determining what they think about our services. The surveys covered in the request for a generic clearance will provide HUD a means to gather this data directly from our customers.

Agency form numbers, if applicable: None.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The burden hours per response will vary with each survey; however, we estimate an average burden of sixty minutes for each survey. We estimate that HUD will survey respondents on occasion. Therefore, the total annual estimate is one burden hour per respondent.
