SUPPLEMENTARY INFORMATION:

A. Background

DoD has revised Directive-Type Memorandum (DTM) 09-019, "Policy Guidance for Foreign Ownership, Control, or Influence (FOCI)," which requires conforming changes to the DFARS. This rule revises DFARS 209.104-1, General standards, to reflect that the responsible office is the Undersecretary of Defense for Intelligence. Additionally, subparagraph (a)(4) of DFARS 252.209-7002, Disclosure of Ownership or Control by a Foreign Government, is revised to reflect changes required by the DTM to the definition of "proscribed information." The DTM revises the description of communication security material that is "proscribed information."

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 604.

B. Regulatory Flexibility Act

DoD does not expect this interim rule to have a significant economic impact on a substantial number of entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, because it only impacts companies that are owned or controlled by a foreign government, and most small entities, as defined in the Regulatory Flexibility Act, are not owned or controlled by a foreign government.

DoD invites comments from small business concerns and other interested parties on the expected impact of this rule on small entities.

DoD will also consider comments from small entities concerning the existing regulations in subparts affected by this rule in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 610 (DFARS Case 2010-D010) in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

D. Determination To Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense (DoD) that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comments pursuant to 41 U.S.C. 418b and FAR 1.501-3(b). DoD Directive-Type Memorandum (DTM) 09-019, "Policy Guidance for Foreign Ownership, Control, or Influence (FOCI)," effective June 8, 2010, implements changes to the definition of "proscribed information." In reviewing the DTM, it became apparent that the current wording at DFARS 252.209-7002 is potentially misleading. If the DFARS is not changed to be consistent with the revised DTM, contracting officers and contractors will be misinformed as to the meaning of "proscribed information." DoD will consider public comments received in response to this interim rule in the formation of the final rule.
