

Because the current time period expired on March 21, 2006, such waiver will allow the Exchange to remain in compliance with its undertaking made in connection with the Commission's approval of SR-PCX-2005-90 to amend the NASD-PCX Agreement. The Commission notes that the Exchange has filed with the Commission, on January 20, 2006, an executed amended and restated agreement. Extending the compliance date for the Exchange's undertaking by an additional 90 days will provide time for the Exchange to respond to any comments from the Commission's staff on the amended and restated agreement, as well as provide time for publication of, and action on, the amended and restated agreement. The Commission further notes that the current Commission-approved NASD-PCX Agreement will remain in full force and effect during the interim period, and the Exchange will continue to abide by the terms of that Agreement. For these reasons, the Commission designates the proposal to be effective and operative upon filing with the Commission.<sup>18</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.<sup>19</sup>

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

##### *Electronic Comments*

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to [rule-comments@sec.gov](mailto:rule-comments@sec.gov). Please include File Number NYSEArca-2006-06 on the subject line.

<sup>18</sup>For the purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

<sup>19</sup>For purposes of calculating the 60-day period within which the Commission may summarily abrogate the proposed rule change under Section 19(b)(3)(C) of the Act, the Commission considers the period to commence on March 23, 2006, the date on which the Exchange filed Amendment No. 1. See 15 U.S.C. 78s(b)(3)(C).

##### *Paper Comments*

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number NYSEArca-2006-06. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number NYSEArca-2006-06 and should be submitted on or before April 20, 2006.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>20</sup>

Nancy M. Morris,  
Secretary.
