[TA-W-73,488]

Hewlett Packard (HP) Global Product Development, Working On-Site at General Motors Corporation, Milford, MI; Notice of Revised Termination of Investigation

Pursuant to Section 223 of the Trade Act of 1974, as amended, an investigation was initiated in response to a petition filed on February 18, 2010 on behalf of workers of the subject firm.

On June 8, 2010, the Department issued a Notice of Termination of Investigation, stating that the petitioning group is part of the worker group covered by an on-going investigation (TA-W-72,851). On June 23, 2010, the Department issued a certification under TA-W-72,851 that did not include the worker group covered by TA-W-73,488.

To protect the interests of the petitioning group, the Department is revising the Notice of Termination and will conduct an investigation to determine whether workers of the subject firm are eligible to apply for Trade Adjustment Assistance.

Signed at Washington, DC, this 30th day of June, 2010.

Del Min Amy Chen,

Certifying Officer, Division of Trade Adjustment Assistance.

DEPARTMENT OF LABOR

Mine Safety and Health Administration

Brookwood-Sago Mine Safety Grants

AGENCY: Mine Safety and Health Administration, Labor.

ACTION: Solicitation for Grant Applications.

Announcement Type: New.

Funding Opportunity Number: SGA 10-3BS.

Catalog of Federal Domestic

Assistance (CFDA) Number: 17.603.

SUMMARY: The U.S. Department of Labor, Mine Safety and Health Administration (MSHA), is making \$500,000 available in grant funds for educational and training programs to help identify, avoid, and prevent unsafe working conditions in and around mines. The focus of these grants for the fiscal year (FY) 2010 will be on training and training materials for mine emergency preparedness and mine emergency prevention for all underground mines. Applicants for the grants may be States and nonprofit (private or public) entities. MSHA could award as many as 10 separate grants with a 12-month period of performance. The amount of each individual grant will be at least \$50,000.00. This notice contains all of the necessary information needed to apply for grant funding.

DATES: The closing date for applications will be August 18, 2010 (no later than 11:59 p.m. EDT). MSHA will award grants on or before September 30, 2010.

ADDRESSES: Applications for grants submitted under this competition must be submitted electronically using the Government-wide site at <http://www.grants.gov>. If applying online poses a hardship to any applicant, the MSHA Directorate of Educational Policy and Development will provide assistance to help applicants submit online. MSHA's Web page at <http://www.msha.gov> is a valuable source of background for this initiative.

FOR FURTHER INFORMATION CONTACT: Any questions regarding this solicitation for grant applications (SGA 10-3BS) should be directed to Robert Glatter at glatter.robert@dol.gov or at 202-693-9570 (this is not a toll-free number) or the Grant Officer, Darrell A. Cooper at cooper.darrell@dol.gov or at 202-693-9831 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: This solicitation provides background information and the critical elements required of projects funded under the solicitation. It also describes the application submission requirements, the process that eligible applicants must use to apply for funds covered by this solicitation, and how grantees will be selected. Further information regarding submitting the grant application electronically is listed in Section IV.C., Submission Date, Times, and Addresses. This solicitation consists of eight parts:

- Part I provides background information on the Brookwood-Sago grants.
- Part II describes the size and nature of the anticipated awards.
- Part III describes the qualifications of an eligible applicant.
- Part IV provides information on the application and submission process.
- Part V explains the review process and rating criteria that will be used to evaluate applications.
- Part VI provides award administration information.
- Part VII contains MSHA contact information.
- Part VIII addresses Office of Management and Budget information collection requirements.

I. Funding Opportunity Description

A. Overview of the Brookwood-Sago Mine Safety Grant Program

Responding to several coal mine disasters, Congress enacted the Mine Improvement and New Emergency Response Act of 2006 (MINER Act). Section 14 of the MINER Act requires the Secretary of Labor (Secretary) to establish a discretionary competitive grant program called the Brookwood-Sago Mine Safety Grants (Brookwood-Sago grants). This program provides funding to educate and train miners to better identify, avoid, and prevent unsafe working conditions in and around mines. This program will use grant funds to establish and implement education and training programs or to create training materials and programs. The MINER Act requires the Secretary to give priority to mine safety demonstrations and pilot projects with broad applicability. It also mandates that the Secretary emphasize programs
