

December 23, 2016 (81 FR 94424), notice is hereby provided of the re-establishment of the matching program between ED and VA.

Participating Agencies

ED and VA.

Authority for Conducting the Matching Program

ED is authorized to participate in the matching program under sections 480(c)(1) and 480(d)(1)(D) of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1087vv(c)(1) and (d)(1)(D)). VA is authorized to participate in the matching program under 38 U.S.C. 523.

Purpose(s)

The purpose of this matching program is to assist the Secretary of Education (the Secretary) with verification of a veteran's status during the processing and review of applications for financial assistance under title IV of the HEA.

The Secretary is authorized by the HEA to administer programs under title IV of the HEA and to enforce the terms and conditions of the HEA.

Section 480(c)(1) of the HEA defines the term "veteran" to mean "any individual who—(A) has engaged in the active duty in the United States Army, Navy, Air Force, Marines, or Coast Guard; and (B) was released under a condition other than dishonorable." (20 U.S.C. 1087vv(c)(1)). Under section 480(d)(1)(D) of the HEA, an applicant who is a veteran (as defined in section 480(c)(1) of the HEA) is considered an independent student for purposes of title IV, HEA program assistance eligibility, and, therefore, does not have to provide parental income and asset information to apply for title IV, HEA program assistance. (20 U.S.C. 1087vv(d)(1)(D)).

Categories of Individuals

Individuals who have completed the Free Application for Federal Student Aid (FAFSA®) and have indicated that they are veterans.

Categories of Records

ED will disclose to the VA the Social Security number (SSN), first and last name, and date of birth (DOB) of each applicant for financial assistance under title IV of the HEA who indicates veteran status in their application.

VA will compare these data elements against the first and last name, SSN, and DOB of veterans. As a result of the match, VA will assign one of four values to the applicant records: (1) veteran status confirmed; (2) record found on database, but not a qualifying veteran;

(3) record not found on database; or (4) record found on database, but applicant on active duty. VA then will transmit applicant records back to ED.

System(s) of Records

ED systems of records: (1) Aid Awareness and Application Processing (AAAP) (18–11–21), last fully published in the **Federal Register** on June 15, 2023 (88 FR 39233); and (2) Common Origination and Disbursement (COD) System (18–11–02) last fully published in the **Federal Register** on June 28, 2023 (88 FR 41942). (*Note:* the ED Central Processing System (CPS) and Free Application for Federal Student Aid (FAFSA) Processing System (FPS) are the ED information systems that process FAFSA data from the Aid Awareness and Application Processing system of records. CPS will process this data through September 30, 2024, for Award Year (AY) 2023–24. FPS will become operational on or after December 1, 2023, and begin processing FAFSA data for AY 2024–25. After September 30, 2024, CPS will be decommissioned and will be fully replaced by FPS within AAAP. FPS will process data for all AYs thereafter. ED uses the COD System to determine the amounts and types of Title IV, HEA program assistance that an applicant for Title IV, HEA benefits will receive.)

VA system of records: "Compensation, Pension, Education, and Vocational Rehabilitation and Employment Records—VA" (58VA21/22/28), last fully published in the **Federal Register** at 86 FR 61858 (November 8, 2021).
