Title of Proposal: Procedures for Appealing Section 8 Rent Adjustments.

OMB Control Number, if applicable: 2502-0446.

Description of the need for the information and proposed use: Title II of the National Housing Act requires that the Department of Housing and Urban Development (HUD) regulate rents for certain cooperative and subsidized rental projects. Under this legislation, HUD is charged with the responsibility of determining the method of rent adjustments and facilitating these adjustments. Because rent adjustments are considered benefits to project owners, HUD must also provide some means for owners to appeal the decisions made by the Department of Contract Administrator. This appeal process, and the information collection included as part of the process, play an important role in preventing costly litigation and ensuring the accuracy of the overall rent adjustment process.

Agency form numbers, if applicable: None.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The estimated total number of hours needed to prepare the information collection is 2,500, the number of respondents is 1,250 generating 1,250 annual responses, the frequency of response is on occasion, and the number of hours per response average 2 hours.

Status of the proposed information collection: Reinstatement, without change, of a previously approved collection for which approval has expired.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: June 28, 2002.
