

proposed rule change will impose any burden on intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act because ETF Shares, like any other exchange-traded funds, would have to satisfy the Exchange's initial listing standards to be eligible for options trading.²⁶ Additionally, the proposed rule change would apply to all market participants in the same manner as options on index fund shares and portfolio depositary receipts and generically listed options on ETF Shares would be equally available to all market participants who wish to trade such options.

The Exchange does not believe that the proposal will impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. To the extent that aligning the options generic listing standards with the ETF Shares generic listing standards may make the Exchange a more attractive marketplace to market participants at other exchanges, such market participants are free to elect to become market participants on the Exchange.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act²⁷ and Rule 19b-4(f)(6) thereunder.²⁸ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act²⁹ and Rule 19b-4(f)(6)(iii) thereunder.³⁰

³⁰ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief

A proposed rule change filed under Rule 19b-4(f)(6)³¹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),³² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange states that waiver of the operative delay would add immediate clarity to the Exchange's rulebook by aligning its options listing requirements with the underlying generic ETF Shares listing standards. Specifically, the proposed rule change would explicitly confirm that such ETF shares fall within the scope of Interpretation and Policy .06 to Exchange Rule 4.3. In addition, the Exchange believes that the proposed rule change may result in more timely investment options and opportunities for market participants seeking efficient trading and hedging vehicles to achieve their investment objectives. For the foregoing reasons, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposed rule change operative upon filing.³³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings under Section 19(b)(2)(B)³⁴ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing,

description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-103690; File No. SR-NASDAQ-2025-061]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Position and Exercise Limits for Options on the VanEck Bitcoin ETF

August 12, 2025.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

³⁵ 17 CFR 200.30-3(a)(12).

(“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on August 7, 2025, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend The Nasdaq Options Market LLC (“NOM”) Options 9, Section 13, Position Limits, and Section 15, Exercise Limits, related to the listing of options on the VanEck Bitcoin ETF.

The text of the proposed rule change is available on the Exchange’s website at <https://listingcenter.nasdaq.com/rulebook/nasdaq/rulefilings> and at the principal office of the Exchange.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Options 9, Section 13, Position Limits, and Options 9, Section 15, Exercise Limits, related to the listing of options on the VanEck Bitcoin ETF.

Recently, Cboe Exchange, Inc. (“Cboe”) received approval to list and trade options on the VanEck Bitcoin ETF.³ Thereafter, Nasdaq ISE, LLC (“ISE”) filed a rule proposal to list and trade options on shares on an Exchange-Traded Fund or “ETF” that represent units of interest in the VanEck Bitcoin

ETF.⁴ NOM’s Options 4 Rules were amended by the ISE rule change as those Rules are incorporated by reference to ISE’s Options 4 Rules, so NOM has the ability to list options on the VanEck Bitcoin ETF. The Cboe VanEck Filing stated that the position and exercise limits for options on the VanEck Bitcoin ETF shall be 25,000 contracts. At this time, the Exchange proposes to amend NOM Option 9, Section 13 and Options 9, Section 15 to similarly note that options on the VanEck Bitcoin ETF shall have a position limit of 25,000 contracts to mirror the Cboe VanEck Filing.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The Exchange’s proposal to amend Options 9, Section 13, Position Limits, and Options 9, Section 15, Exercise Limits, to provide that the position and exercise limits for options on the VanEck Bitcoin ETF shall be 25,000 contracts is consistent with the Act as it will conform NOM’s options position and exercise limits for the VanEck Bitcoin ETF with ISE’s options position and exercise limits for the VanEck Bitcoin ETF to align those limits.⁷

B. Self-Regulatory Organization’s Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Amending Options 9, Sections 13 and 15 to provide that the position and exercise limits for options on the VanEck Bitcoin ETF shall be 25,000 contracts does not impose an undue burden on competition as the position and exercise limits will apply to all trading for options on the VanEck Bitcoin ETF trading on the Exchange as

well as those trading on other exchanges that file a similar proposal.⁸

B. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and subparagraph (f)(6) of Rule 19b–4 thereunder.¹⁰

A proposed rule change filed under Rule 19b–4(f)(6)¹¹ under the Act does not normally become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b–4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission previously approved the listing of options on shares of the VanEck Bitcoin ETF.¹³ As noted above, the Exchange’s Options 4 Rules were amended by an ISE rule change¹⁴ as those Rules are incorporated by reference to ISE’s Options 4 Rules, so the Exchange has the ability to list the options on shares of the VanEck Bitcoin ETF. This proposal establishes position and exercise limits for options on shares of the VanEck Bitcoin ETF. The Commission believes that waiver of the operative delay could benefit investors by assuring that trading in VanEck Bitcoin ETF options are subject to the

⁸ All Nasdaq affiliated markets are filing to adopt a 25,000 contract position and exercise limit for options on the VanEck Bitcoin ETF.

⁹ 15 U.S.C. 78s(b)(3)(A)(iii).

¹⁰ 17 CFR 240.19b–4(f)(6). In addition, Rule 19b–4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

⁶ 15 U.S.C. 78f(b)(5).

⁷ The Exchange believes that other exchanges will adopt position and exercise limits of 25,000 contracts for options on the VanEck Bitcoin ETF. All Nasdaq affiliated markets are filing to adopt a 25,000 contract position and exercise limit for options on the VanEck Bitcoin ETF.

same position and exercise limits in place on other exchanges. Therefore, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposed rule change as operative upon filing.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-103685; File No. SR-FINRA-2025-013]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Require Use of an Office of Hearing Officers Portal

August 12, 2025.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 8, 2025, the Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to require use of an Office of Hearing Officers ("OHO") Portal.

The text of the proposed rule change is available on FINRA's website at <http://www.finra.org> and at the principal office of FINRA.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Beginning in May 2020, FINRA adopted and extended temporary amendments to allow for electronic service and filing by electronic mail ("email") in OHO and National Adjudicatory Council ("NAC") proceedings during the period in which FINRA's operations were impacted by the COVID-19 pandemic.⁴ In June 2022, the Commission approved a proposed rule change to make the temporary amendments permanent, with some modifications.⁵

FINRA has developed an electronic portal to replace email as the primary method for the filing and service of documents in OHO proceedings (the "OHO Portal").⁶ As described, below, access to the OHO Portal will occur through accounts tied to the participant's email address. The proposed rule change would require use of the OHO Portal for the filing and service of documents in OHO matters.⁷ When a party submits pleadings or

⁴ See, e.g., Securities Exchange Act Release No. 88917 (May 20, 2020), 85 FR 31832 (May 27, 2020) (Notice of Filing and Immediate Effectiveness of File No. SR-FINRA-2020-015); Securities Exchange Release No. 95281 (July 14, 2022), 87 FR 43335 (July 20, 2022) (Notice of Filing and Immediate Effectiveness of File No. SR-FINRA-2022-018).

⁵ See Securities Exchange Act Release No. 95147 (June 23, 2022), 87 FR 38803 (June 29, 2022) (Order Approving File No. SR-FINRA-2022-009). Those amendments became effective on August 22, 2022, on which date the temporary amendments expired. See *Regulatory Notice* 22-16 (July 2022).

⁶ OHO serves as FINRA's adjudicatory forum for disciplinary proceedings and expedited proceedings, including hearings for temporary and permanent cease and desist orders ("TCDOs" and "PCDOs"). FINRA has developed the OHO Portal for use in OHO proceedings only. It has not been designed to support service or filing of documents in NAC proceedings.

⁷ FINRA sometimes serves documents in its capacity as an adjudicator. In other instances, FINRA is a party, for example, in its capacity as the Department of Enforcement ("Enforcement").

¹⁵ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).
