Public Land Order No. 7921; Withdrawal of Public Land for Satellite Calibration in Railroad Valley; Nye County, Nevada

AGENCY: Bureau of Land Management, Interior.

ACTION: Public Land Order.

SUMMARY: This Public Land Order (PLO) withdraws 22,684.07 acres of public lands within the Railroad Valley (RRV) area, Nye County, Nevada, from

settlement, sale, location, or entry under the public land laws, including location and entry under the United States mining laws, leasing under the mineral and geothermal leasing laws, and disposal of mineral materials under the Materials Act of 1947, subject to valid existing rights, for a period of 20 years, and reserves them for National Aeronautics and Space Administration (NASA) satellite calibration activities. Jurisdiction over the public lands remains with the Bureau of Land Management (BLM).

DATES: This PLO takes effect on April 27, 2023.

FOR FURTHER INFORMATION CONTACT:

Edison Garcia, Land Law Examiner, BLM, by telephone at (775) 861-6530; by email: edisongarcia@blm.gov, during regular business hours, 8:00 a.m. to 4:00 p.m., Monday through Friday, except holidays. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services for contacting Mr. Garcia. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-

contact in the United States. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The purpose of the withdrawal and reservation is to maintain the physical integrity of the surface and subsurface environment to ensure NASA satellite calibration activities are not invalidated or otherwise adversely affected.

Order

By virtue of the authority vested in the Secretary of the Interior by Section 204 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714, it is ordered as follows:

1. Subject to valid existing rights, the following described public lands are hereby withdrawn from settlement, sale, location, or entry under the public land laws, including location and entry under the United States mining laws, leasing under the mineral and geothermal leasing laws, and disposal of mineral materials under the Materials Act of 1947 (30 U.S.C. 601–604) and reserved for NASA's satellite calibration activities within Railroad Valley, Nye County, Nevada.

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Tramroads and Logging Roads

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (PRA), the Bureau of Land Management (BLM) proposes to renew an information collection.

DATES: Interested persons are invited to submit comments on or before May 29, 2023.

ADDRESSES: Written comments and recommendations for this information collection request (ICR) should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Jessica LeRoy by email at jrleroy@blm.gov, or by telephone at (971) 439–5054. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the PRA (44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), we invite the public and other Federal agencies to comment on new, proposed, revised and continuing collections of information. This helps the BLM assess impacts of its information collection requirements and minimize the public's reporting burden. It also helps the public understand BLM information collection requirements and ensure requested data are provided in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting

comments on this collection of information was published on December 20, 2022 (87 FR 77878). No comments were received in response to this notice.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again inviting the public and other Federal agencies to comment on the proposed ICR described below. The BLM is especially interested in public comment addressing the following:

(1) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used.

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments submitted in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The BLM Oregon State Office has authority under the Oregon and California Revested Lands Sustained Yield Management Act of 1937 (43 U.S.C. 2601 and 2602) and subchapter V of the Federal Land Policy and Management Act (43 U.S.C. 1761–1771) to grant rights-of-way to private landowners to transport their timber over roads controlled by the BLM. This information collection enables the BLM to calculate and collect appropriate fees for this use of public lands. This OMB Control Number is currently scheduled to expire on August 31, 2023. The BLM request that OMB renew this OMB Control Number for an additional three years.

Title of Collection: Tramroads and Logging Roads (43 CFR part 2810).
